**INTRODUCTION**

On March 20, 2023 (“Petition Date”), The Litigation Practice Group P.C. (“Debtor”) filed a voluntary petition under chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101 *et seq.* (“Bankruptcy Code”),<sup>2</sup> which commenced the above-referenced bankruptcy case (“Bankruptcy Case”).<sup>3</sup> On May 8, 2023, the Office of the United States Trustee (“U.S. Trustee”) appointed Richard A. Marshack (“Trustee”) to serve in a fiduciary capacity as the chapter 11 trustee of the Debtor’s Estate. On June 23 and 29, 2023, the U.S. Trustee appointed a seven-member Official Committee of Unsecured Creditors of the Litigation Practice Group P.C. (the “Committee”) to represent the general interests of unsecured creditors in the Bankruptcy Case.

On March 22, 2024, the Trustee and the Committee filed the *Joint Chapter 11 Plan of Liquidation (Dated March 22, 2024)* (“Plan”).<sup>4</sup> The Trustee and the Committee are referred to, collectively, as the “Plan Proponents” because they have jointly submitted the Plan. This document is the disclosure statement (“Disclosure Statement”), which describes the Plan.

**A. The Purpose of This Document**

The Plan is intended to establish the framework for the liquidation of the Debtor’s assets and the process and priority for distribution of those assets to Holders of Claims and Interests. This Disclosure Statement summarizes the significant events in the Bankruptcy Case that led to the development of the Plan, describes significant provisions of the Plan, provides information concerning the feasibility and potential distributions under the Plan, and the process the Bankruptcy

The Court has fixed \_\_\_\_\_, 2024 (the “Voting Deadline”) as the deadline by which all Ballots for accepting or rejecting the Plan *must be received* by the Claims and Noticing Agent, Omni Agent Solutions. In order to be counted as a vote to accept or reject the Plan, each ballot must be properly

delivered to the Claims and Noticing Agent by either: (i) first class mail, overnight courier, or hand delivery to the Claims and Noticing Agent at the following address: The Litigation Practice Group P.C. Holders may digitally scan and upload a Ballot via the Ballot Portal. Instructions for uploading a Ballot will be available on the case website maintained by the Claims and Noticing Agent. For the avoidance of doubt, the Ballot Portal <https://omniagentsolutions.com/LPG-Ballots> shall be the sole accepted means for Holders to submit their votes electronically.

**3. Deadline to Object to Confirmation of the Plan**

To be considered by the Court, objections to confirmation of the Plan: (i) be in writing; (ii) comply with the Bankruptcy Rules and the Local Bankruptcy Rules; (iii) state the name and address of each objecting party and the amount and the nature of the Claim or Interest of such party; (iv) state with particularity the legal and factual bases for the objection and, if practicable, a proposed modification to the Plan that would resolve such objection; and (v) be filed with the Bankruptcy Court, together with proof of service, and served so that they are actually received by the Notice Parties (as defined below) no later than \_\_\_\_\_, **2024** which deadline may be extended by mutual agreement of the Plan Proponents (the "Confirmation Objection Deadline").

Objections to confirmation of the Plan must be served on the following Notice Parties: (i) the Trustee's general bankruptcy counsel and bankruptcy case administrator, as follows: Marshack Hays Wood LLP, 870 Roosevelt, Irvine, California 92620 (Attn: Ed Hays ([ehays@marshackhays.com](mailto:ehays@marshackhays.com)) & Pam Kraus ([pkraus@marshackhays.com](mailto:pkraus@marshackhays.com))); (ii) counsel to the Committee: Fox Rothschild LLP, 10250 Constellation Boulevard, 9th Floor, Los Angeles, California 90067 (Attn: Keith C. Owens ([kowens@foxrothschild.com](mailto:kowens@foxrothschild.com)) & Nicholas A. Koffroth ([nkoffroth@foxrothschild.com](mailto:nkoffroth@foxrothschild.com))); and (iii) counsel to the U.S. Trustee, Office of the United States Trustee, 411 West Fourth Street, Suite 7160, Santa Ana, California 92701-8000 (Attn: Kenneth M. Miskin ([kenneth.m.miskin@usdoj.gov](mailto:kenneth.m.miskin@usdoj.gov))).

1 against Mr. Diab on similar claims in a pending California proceeding and ordered that Mr. Diab's  
2 law license be placed on involuntary inactive status. Mr. Diab was subsequently disbarred from the  
3 practice of law in California on January 10, 2020.

4 The Debtor was incorporated in California on February 22, 2019. The timing is noteworthy:  
5 the incorporation occurred less than a month after Mr. Diab's Nevada disbarment and two weeks after  
6 Mr. Diab's law license was placed on involuntary inactive status in California. The Trustee alleges  
7 that the Debtor was formed to conceal the transfer and continuation of Mr. Diab's preexisting debt  
8 resolution practice notwithstanding his inability to practice law.

9 The Trustee has further alleged that the Debtor's named management served as a shill to  
10 permit Mr. Diab to continue *de facto* control over business operations despite no longer holding a  
11 license to practice law. John Thompson ("Mr. Thompson") was the original, sole shareholder and  
12 managing partner of the Debtor between February and November 2019. Daniel March ("Mr. March")  
13 took assignment of Mr. Thompson's ownership in the Debtor in November 2019, and served as the  
14 sole shareholder and managing partner of the Debtor until the appointment of the Trustee (discussed  
15 below). In each instance, the Trustee alleges that Mr. Diab effectively "rented" the law licenses of  
16 Mr. Thompson and Mr. March, neither of whom exercised any actual management or control over  
17 the Debtor. During this time, Mr. Diab impersonated Mr. March and Mr. Thompson, forged Mr.  
18 March's signature on documents, and purportedly provided legal advice to clients of the Debtor.

19 **2. The Debtor's Prepetition Business Operations**

20 **a. The Services Provided to Clients under the LSAs**

21 Prepetition, the Debtor serviced more than 50,000 consumer clients across the United States  
22 with an estimated annual revenue of \$150 million in 2022. Generally, the relationship between the  
23 Debtor and its consumer clients was governed by a legal services agreement (an "LSA") that  
24 established an attorney-client relationship between the parties. Consumer clients signed one of  
25 multiple LSA versions that describe the services provided as follows:

26 [The Debtor] will provide debt validation services wherein it will assist  
27 you in removing erroneous or inaccurate information appearing on one  
28 or more of your credit reports by contesting debts appearing therein.  
This service is limited to information reported by creditors or purported  
creditors to credit bureaus. The purpose of this program is to challenge

1 the legal validity of debts appearing on or being reported to credit  
2 bureaus...

3 Other iterations of the LSA offered itemized lists of the services provided, including: (i) assisting  
4 clients in efforts to stop creditors and debt collectors from harassing or contacting the client in  
5 connection with specific debts; (ii) disputing the legal validity of specific debts; (iii) assisting clients  
6 in removing erroneous or inaccurate information reported on specific debts; (iv) representing clients  
7 in lawsuits filed against the client concerning specific debts; (v) initiating legal action on behalf of  
8 clients against creditors violating applicable federal or state law with respect to certain debts; and  
9 (vi) determining a client's eligibility for bankruptcy and the effects of a bankruptcy filing.

10 The Debtor provided services under the LSA by limiting the degree of customized services to  
11 clients to the greatest extent possible. By way of example, LPG utilized software licensed by  
12 DebtPayPro and, ultimately, a less-efficient proprietary software known as LUNA, to automate the  
13 debt dispute resolution process, facilitate client communications, and track payment information.  
14 These systems generated automated and generic template correspondence to creditors, collection  
15 agencies, and credit bureaus to challenge or dispute debt. In some cases, these programs resulted in  
16 correction of incorrectly reported debt, successful challenges based on consumer protection laws, and  
17 debt settlement. In limited circumstances, the Debtor utilized in-house or third-party attorneys to file,  
18 or defend against, lawsuits on behalf of consumer clients.

19 **b. The LSA Payment Terms and Estimated Revenue**

20 The LSAs required that clients agree to a predetermined payment plan that required clients to  
21 pay fees monthly to the Debtor over an 18-to-30-month term. Under the LSAs, the fees were earned  
22 immediately upon receipt by the Debtor. The monthly fee installments were often automatically  
23 debited from client bank accounts by ACH transfer. The Debtor utilized the services of ACH  
24 processing companies—many of which were owned or controlled by Mr. Diab—to process the  
25 monthly ACH draws from client bank accounts. Prepetition, the Debtor's monthly gross revenue  
26 from monthly fee payments was estimated to range from \$8.4 million to \$11.2 million, and, as of the  
27 Petition Date, the Trustee believes that monthly gross revenue from client accounts exceeded \$15  
28 million.

1                    **c.        The Debtor's Internal and Third-Party Marketing Affiliates**

2            The Debtor utilized both in-house and third-party marketing affiliates to obtain consumer  
3 client referrals on a massive scale. The Debtor's "in-house" marketing efforts were operated through  
4 an entity called Coast Processing, which was acquired by Mr. Diab in 2021 and was purportedly  
5 "merged" into the Debtor's operations despite Coast Processing's previous dominion and control over  
6 the Debtor prior to Mr. Diab's acquisition. The Debtor also utilized a network of over 100 third-party  
7 marketing affiliates to purchase referrals. In each case, the Debtor acquired potential client data  
8 through in-house or third-party efforts that identified victims of predatory lending, significant debt  
9 potentially subject to challenge, and other methods. Rather than pay for these referral lists upfront,  
10 the Debtor paid third-party marketing affiliates a percentage of collections earned from referred  
11 clients through revenue generated from those clients during their engagement with the Debtor. The  
12 marketing affiliates' practices were dubious at best and, included direct solicitation and referral of  
13 clients (which may have violated the rules of professional conduct governing licensed attorneys in  
14 multiple jurisdictions). Additionally, in some circumstances, the marketing affiliates would assist  
15 with the execution of an LSA between the Debtor and a consumer client.

16 **B.        The Circumstances Leading to the Filing of the Bankruptcy Case**

17            The Trustee alleges that Mr. Diab, and a series of co-conspirators, orchestrated and  
18 implemented a scheme to fraudulently transfer client files, and the related receivables, to third parties.  
19 The series of prepetition transactions involving the Debtor, Mr. Diab, Mr. Diab's co-conspirators, or  
20 their affiliates include the following:

- 21            •        Repeatedly either selling, or utilizing as collateral, the same accounts receivable from  
22                    the same client files to factoring companies, other lenders, or investors;
- 23            •        Transferring client files to third parties selected by Mr. Diab, or his co-conspirators,  
24                    and such transfers of client files were made for inadequate or no consideration without  
25                    consumer client consent;
- 26            •        Intercepting ACH draws from client accounts under the LSAs and diverting the funds  
27                    collected to the fraudulent transferees; and

- Causing the fraudulent transferees to initiate redundant or duplicative, and unauthorized, ACH draws against consumer client accounts.

The foregoing transactions, among others, siphoned substantial assets from the Debtor. The Debtor also entered into a series of purportedly secured borrowings, sales, and investments on unfavorable terms to finance the Debtor's operations and pay fees owed to the Debtor's marketing affiliates that the Debtor's cash flow from accounts receivable were unable to sustain.

Creditors and clients became increasingly aware of the Debtor's misconduct, orchestrated by Mr. Diab and his co-conspirators. By way of example, between late April 2023 and May 2023, entities to which the Debtor impermissibly transferred client files began receiving significant client complaints related to duplicative or fraudulent ACH draws against their personal accounts. Other creditors who expected more significant payments under the terms of their agreements began filing lawsuits to enforce their asserted rights against the Debtor. On March 10, 2023, a California state court in one such lawsuit ordered the appointment of a receiver. The Debtor filed the Bankruptcy Case, in part, to frustrate the appointment of the receiver.

**C. Significant Events During the Bankruptcy Case**

**1. Motions to Dismiss or Convert the Bankruptcy Case and Appointment of the Trustee**

On March 30, 2023, the Office of the United States Trustee filed a motion [Docket No. 21] (the "U.S. Trustee Dismissal Motion") to dismiss the Bankruptcy Case or convert the Bankruptcy Case to a case under chapter 7 of the Bankruptcy Code. Although filed only shortly after the Bankruptcy Case, the U.S. Trustee observed that the Debtor had already failed to comply with a litany of reporting requirements, including: (i) failure to provide proof of insurance; (ii) failure to provide evidence the Debtor closed its prepetition bank accounts or the opening of postpetition, debtor-in-possession bank accounts at authorized depositories; (iii) failure to provide required disclosures concerning real property, cash flow, required certificates and licenses, income tax returns, financial statements, employee benefits, insiders; and (iv) failure to provide evidence that the petition was recorded.

On April 19, 2023, Debt Validation Fund II, LLC, MC DVI Fund 1, LLC, and MC DVI Fund 2, LLC collectively filed a motion [Docket No. 44] (the “Creditor Dismissal Motion”) to dismiss the Bankruptcy Case or, in the alternative, convert the Bankruptcy Case to a case under chapter 7 of the Bankruptcy Code or appoint a chapter 11 trustee. The Creditor Dismissal Motion was premised on allegations the Debtor engaged in a prepetition pattern of dissipating its assets to affiliates or insiders for less than fair value in a scheme to hinder, delay, and defraud creditors. The Creditor Dismissal Motion also alleged that the Debtor filed the Bankruptcy Case, in part, to frustrate efforts to obtain appointment of a receiver in state court.

On May 4, 2023, the Bankruptcy Court entered an order [Docket No. 58] granting the U.S. Trustee Dismissal Motion and ordering the appointment of a chapter 11 trustee. On May 15, 2023, the movants withdrew the Creditor Dismissal Motion.

On May 8, 2023, the U.S. Trustee filed a notice of appointment [Docket No. 62] of Richard A. Marshack as the chapter 11 Trustee and the Trustee accepted [Docket No. 63] the appointment. On May 8, 2023, the Bankruptcy Court entered an order [Docket No. 65] approving the appointment of the Trustee.

## **2. Appointment of the Committee**

On June 13, 2023, the Trustee filed an emergency motion [Docket No. 102] (the “Ad Hoc Committee Motion”) to permit the Trustee to enter into an expense reimbursement agreement with an *ad hoc* committee intended to advance the interests of all consumer client claimants. The U.S. Trustee objected [Docket No. 127], in part, on the grounds that the U.S. Trustee was in the process of re-soliciting creditor interest in serving on an official committee of unsecured creditors. On June 26, 2023, creditor Carolyn Beech objected [Docket No. 144] to the expense reimbursement motion. On June 26, 2023, the Trustee, U.S. Trustee, and Carolyn Beech entered into a stipulation [Docket No. 149] dismissing the Ad Hoc Committee Motion provided that the U.S. Trustee agree that a majority of any official committee of unsecured creditors remains comprised of consumer client claimants. On June 27, 2023, the Bankruptcy Court entered an order [Docket No. 151] approving the stipulation.

On June 23, 2023, the U.S. Trustee filed a notice [Docket No. 134] of the appointment of a five-member Committee. On June 29, 2023, the U.S. Trustee filed a notice [Docket No. 157] of the appointment of two additional members to the Committee, which resulted in a seven-member Committee. The Committee's membership is as follows: (i) Alexandra Lufti; (ii) April Reidy; (iii) Denise Burtchell; (iv) Angela Dows, Esq.; (v) Thomas Ray; (vi) Affirma, LLC; and (vii) Abigail R. Beaudin. Consistent with the Bankruptcy Court approved stipulation, the majority of the Committee's members are consumer client claimants.

### **3. Estate Professionals**

On June 22, 2023, the Bankruptcy Court entered an order [Docket No. 129] approving the employment of Marshack Hays Wood LLP as general bankruptcy counsel to the Trustee. On June 29, 2023, the Bankruptcy Court entered an order [Docket No. 155] approving employment of Bicher & Associates as field agent and forensic accountants to the Trustee. On July 3, 2023, the Bankruptcy Court entered an order [Docket No. 169] approving the employment of Grobstein Teeple LLP as accountants to the Trustee. On October 7, 2023, Khang & Khang LLP filed a notice [Docket No. 563] to professionals to file applications for approval of interim compensation. On October 20, 2023, Khang & Khang LLP withdrew [Docket No. 591] the notice to professionals.

5 **4. Postpetition Financial Reporting and Disclosures**

6 On the Petition Date, the Bankruptcy Court issued certain notices [Docket Nos. 2-6] of

8 to dismiss the Bankruptcy Case in the event the deficiencies were not resolved.

9 On March 24, 2023, the Debtor filed a list [Docket No. 16] of the top 20 creditors holding

11 authorizing the filing of the Bankruptcy Case, a corporate ownership statement [Docket No. 28], a  
12 statement [Docket No. 29] of related cases, a disclosure [Docket No. 30] of attorney compensation,  
13 a summary [Docket No. 32] of assets and liabilities, Schedules A/B, D, E/F, G, and H [Docket No.  
14 33], a statement of financial affairs [Docket No. 34], and a list [Docket No. 36] of equity security  
15 holders. On May 1, 2023, the Debtor filed an amended Schedule D [Docket No. 52], Schedule G  
16 [Docket No. 53], an amended statement of financial affairs [Docket No. 54], and a monthly operating  
17 report [Docket No. 55] for the month ended March 31, 2023. Based on the Plan Proponent's review,  
18 the Plan Proponents believe that the financial disclosures filed by the Debtor are incomplete,  
19 unreliable, and otherwise of limited value for purposes comprehensive assessment of the Debtor's  
20 financial condition on the Petition Date.

21 The Trustee has provided financial disclosures following his appointment. The Trustee  
22 initially filed declarations [Docket Nos. 112, 184] in lieu of filing monthly operating reports, which

25 which, as of the date of this Disclosure Statement, cover the periods ending April 30, 2023, through  
26 January 31, 2024.

1           **5.       The Injunction Action**

2                   **a.       The Complaint, Preliminary Injunction, and Amended Complaints**

3           On May 25, 2023, the Trustee filed a complaint [Adv. Docket No. 1] initiating the adversary  
4 proceeding captioned *Marshack v. Diab, et al.*, Adv. Proc. No. 8:23-ap-01046-SC (“Injunction  
5 Action”). As set forth more fully in the complaint, the Trustee filed the Injunction Action, *inter alia*,  
6 to enjoin the transfer or dissipation of assets of the Debtor, recover assets transferred pursuant to  
7 certain avoidable or fraudulent transactions, and obtain turnover of certain Debtor assets not in the  
8 possession, custody, or control of the Debtor. The Injunction Action relates primarily to the scheme,  
9 implemented by Mr. Diab, his co-conspirators, and their affiliates, to fraudulently or otherwise  
10 impermissibly transfer assets of the Debtor discussed more fully herein.

11           On May 25, 2023, the Trustee filed an emergency motion [Adv. Docket No. 4], *inter alia*,  
12 seeking turnover of certain estate property, a preliminary injunction, lock-out of certain parties from  
13 accessing certain estate property, and related relief. The motion and related papers [Adv. Docket  
14 Nos. 3-8] included requests for immediate turnover and preservation of critical operating information,  
15 client information, accounts, ACH processing accounts, bank accounts and client funds. On June 23,

17           On June 15, 2023, the Trustee filed a first amended complaint [Adv. Docket No. 62] primarily  
18 to correct the spelling or entity designations of named defendants and add other defendants. The  
19 following defendants filed answers to the first amended complaint, but not the second amended  
20 complaint: Tony Diab [Adv. Docket No. 134]; and Scott Eadie [Adv. Docket No. 241].

21           On October 13, 2023, the Trustee filed a second amended complaint [Adv. Docket No. 226].  
22 The following defendants filed answers to the second amended complaint: Greyson Law Center PC  
23 [Adv. Docket No. 251]; Marich Bein, LLC [Adv. Docket No. 263]; Daniel S. March [Adv. Docket

25 314]; Eng Taing [Adv. Docket No. 326]; Touzi Capital, LLC [Adv. Docket No. 327]; Worldpay  
26 Group and Worldpay, LLC [Adv. Docket No. 395]; and Fidelity National Information Services, Inc.

2           On November 3, 2023, defendants, Eng Taing and Touzi Capital, LLC, filed a motion [Adv.  
3 Docket No. 265] to dismiss the second amended complaint in the Injunction Action. On December  
4 22, 2023, the Bankruptcy Court entered an order [Adv. Docket No. 299] denying the Eng Taing and  
5 Touzi Capital, LLC motion to dismiss.

6           On December 22, 2023, defendants Rosa Bianca Loli and Lisa Cohen filed motions [Adv.  
7 Docket Nos. 300, 301] to dismiss the second amended complaint in the Injunction Action. On March  
8 13, 2023, the Trustee filed oppositions [Adv. Docket Nos. 442, 443] to the motions.

10          On July 24, 2023, the Trustee filed a notice [Adv. Docket No. 103] of dismissal, without  
11 prejudice, of defendant, the United States Parcel Service.

20 prejudice, of defendants, Occams Advisory, Inc., Teracel Blockchain Fund, LLC, Chris Winslow,  
21 B.A.T., Inc. d/b/a Coast Processing, Guardian, Maverick Management, LLC, Eng Tang, WorldPay,  
22 Inc., William Taylor Carss, and Maria Eeyah Tan.

23          On January 30, 2023, the Trustee filed a notice [Adv. Docket No. 372] of dismissal, without  
24 prejudice, of defendants, Jake Akers and Authorize.net.

25          On March 15, 2024, the Bankruptcy Court entered an order [Adv. Docket No. 446] granting  
26 the Trustee's motion [Docket No. 339] to dismiss without prejudice Marich Bein, LLC and  
27 BankUnited, N.A. as defendants to the Injunction Action to permit the Trustee to file a new complaint  
28

1 against the defendants in a separate adversary proceeding.

2 **d. Defaults Entered Against Defendants to the Injunction Action**

3 The Clerk of the Bankruptcy Court has entered defaults against the following defendants:  
4 Vulcan Consulting Group, LLC [Adv. Docket No. 144]; Wes Thomas [Adv. Docket No. 145];  
5 Seamless Chex, Inc. [Adv. Docket No. 153]; Teracel Blockchain Fund II, LLC [Adv. Docket No.  
6 154]; Jake Akers [Adv. Docket No. 163]; BAT, Inc. d/b/a Coast Processing [Adv. Docket No. 164];  
7 Jimmy Chhor [Adv. Docket No. 174]; Oakstone Law Group, P.C. [Docket No. 177]; Prime Logix,  
8 LLC [Adv. Docket No. 179]; Revolv3, Inc. [Adv. Docket No. 180]; and Guardian Processing, LLC  
9 [Adv. Docket No. 181]. As of the date of this Disclosure Statement, the Bankruptcy Court has not  
10 entered default judgments.

11 **e. Settlements and Compromises of Claims Related to the Injunction Action**

12 On July 6, 2023, the Trustee filed a motion [Docket No. 176] in the Bankruptcy Case to  
13 approve a stipulated judgment with Phoenix Law, PC (“Phoenix”) that, among other things, provides  
14 a finding that the Debtor’s prepetition transfer of approximately 40,000 consumer client files to  
15 Phoenix is avoided as a preferential or fraudulent transfer, and providing for the recovery of such  
16 consumer client files and related material. The settlement agreement also provided for the dismissal  
17 of defendants, William Taylor Carss and Maria Eeya Tan, without prejudice. On August 7, 2023, the  
18 Bankruptcy Court entered an order [Docket No. 365] approving the settlement motion.

19 The Injunction Action remains pending as of the date of this Disclosure Statement.

20 **6. The Postpetition Financing Motions**

21 The Trustee requested postpetition financing to fund ordinary business operations of the  
22 Debtor because the estate lacked adequate available cash to fund such expenses. Specifically, the  
23 U.S. Trustee objected to the use of postpetition funds collected from consumer clients by ACH draws  
24 and the estate lacked significant cash on hand as of the Petition Date. The Trustee contended that  
25 maintaining the Debtor’s operations postpetition was necessary to preserve the going-concern value  
26 of the Debtor in advance of any sale of the Debtor’s business.

27 On June 16, 2023, the Trustee filed an emergency motion [Docket No. 119] (the “First”  
28

1 Financing Motion”) to obtain postpetition financing, on an unsecured, superpriority administrative  
2 basis, from Resolution Ventures in the amount of \$800,000, including an initial advance of \$350,000  
3 and a subsequent advance of \$450,000. On June 22, 2023, the Bankruptcy Court entered an order  
4 [Docket No. 131] (the “First Financing Order”) approving the First Financing Motion on an interim  
5 basis.

6 On June 29, 2023, the Trustee filed an *ex parte* notice [Docket No. 156] (the “Second  
7 Financing Motion”) of an alleged nonmaterial modification to the promissory note by and between  
8 the Trustee and Resolution Ventures, pursuant to the First Financing Order. The Second Financing  
9 Motion indicated that Resolution Ventures had advanced \$240,000 of the \$800,000 loan amount prior  
10 to entry of the First Financing Order; however, Resolution Ventures subsequently informed the  
11 Trustee that it was unable to provide any further advances under the promissory note. The Second  
12 Financing Motion proposed that the non-material modification would substitute Liberty Acquisitions  
13 Group, Inc. (“Liberty”), an affiliate of Consumer Legal Group PC (“CLG”), as the lender for the  
14 remaining \$560,000 balance of the approved, unsecured, superpriority administrative loan, and  
15 repayable on a *pari passu* basis with the \$240,000 loaned by Resolution Ventures.

16 On June 29, 2023, the Bankruptcy Court set [Docket No. 158] an emergency hearing on the  
17 Second Financing Motion. On July 3, 2023, the Bankruptcy Court entered an order [Docket No. 168]  
18 (the “Second Financing Order”) authorizing, on an interim basis, the proposed loan from Liberty  
19 Acquisitions Group, Inc.

20 On July 16, 2023, the Trustee filed an emergency motion [Docket No. 249] (the “Third  
21 Financing Motion”) to obtain postpetition financing, on an unsecured, superpriority administrative  
22 basis, from Resolution Ventures, in the amount of \$249,663.98, and from Liberty, in the amount of  
23 \$249,663.98. On July 18, 2023, the Committee filed an objection [Docket No. 282] to the Third  
24 Financing Motion, in part, on the grounds that the proposed, amended Liberty promissory note would  
25 have impermissibly permitted Liberty to obtain immediate repayment of its postpetition loans from  
26 the first sale proceeds received by the estate. On July 20, 2023, the Bankruptcy Court entered an  
27 order [Docket No. 310] (the “Third Financing Order”) approving the Third Financing Motion on an  
28

1 interim basis; provided, however, that Liberty would no longer provide the additional \$249,663.98 in  
2 financing and would instead be replaced by PanAmerican Consulting Inc. without the immediate  
3 repayment provisions in the Liberty note.

4 On August 21, 2023, the Bankruptcy Court entered orders [Docket Nos. 413, 414, 415]  
5 approving on a final basis the financing authorized under the First Financing Order, the Second  
6 Financing order, and the Third Financing Order.

7 **7. Motion to Approve Management Agreement**

8 On July 10, 2023, the Trustee filed a motion [Docket No. 204] to authorize the Trustee to  
9 enter into a management agreement with Resolution Processing to provide the services of Russell  
10 Squires and Gary DePew for \$60,000 for the first month of services, and \$40,000 per month for each  
11 month thereafter, for no more than three months. The Trustee requested approval of the management  
12 agreement to provide persons familiar with the business operations of the Debtor to maintain  
13 operations until the closing of a sale. At the hearing concerning the sale, the Committee requested  
14 that Russ Squires, serving in a representative capacity for bidder, Morning Law Group, resign from  
15 his management position as of the July 20, 2023, bid. On August 21, 2023, the Bankruptcy Court  
16 entered an order [Docket No. 412] approving the motion as modified on the record at the sale hearing.

17 On September 28, 2023, the Trustee filed a motion [Docket No. 545] to surcharge secured  
18 creditor collateral, as applicable, to provide for the immediate payment of the management fee. The  
19 Committee objected [Docket No. 557] on the grounds that the extent of secured creditor collateral  
20 was not yet determined and that the order approving the management agreement only entitled Mr.  
21 Squires to an administrative claim rather than ordinary course payment. The Committee also reserved  
22 rights to the extent the payment was ultimately determined to come from unencumbered funds. On  
23 October 27, 2023, the Bankruptcy Court entered an order [Docket No. 601] granting the surcharge  
24 motion and authorizing payment of the management fee.

25 **8. The Morning Law Group Sale**

26 **a. Asset Sale**

27 On July 7, 2023, the Trustee filed a motion [Docket No. 191] (the “Sale Motion”) to approve  
28

1 a sale of substantially all of the Debtor's assets. The Sale Motion sought approval of that certain  
2 *Agreement of Purchase and Sale and Joint Escrow Instructions* by and between the Trustee and CLG  
3 (the "CLG PSA"). Under the CLG PSA, CLG would purchase certain of the Debtor's assets for the  
4 following consideration: (i) an \$8 million deposit; and (ii) a post-closing "earn-out," after deducting  
5 a 20% administrative fee, calculated as (a) 20% of all amounts collected by CLG on "Active  
6 Executory Contracts," and (b) 15% of all amounts collected by CLG on "Inactive Executory  
7 Contracts." The CLG PSA included other provisions such as the appointment of an ethics compliance  
8 monitor to ensure compliance with applicable regulations in the post-closing operations of the  
9 Debtor's business.

10 On July 10, 2023, the Bankruptcy Court *sua sponte* entered an order [Docket No. 206]  
11 requesting both briefing concerning the Sale Motion and optional supplemental briefing concerning  
12 the Bankruptcy Court's authority to approve the sale in light of the Debtor's prepetition illegal  
13 operations and the appropriate conditions and available post-sale reforms of any and all business  
14 operations.

15 On July 17, 2023, the following parties filed supplemental briefing in accordance with the  
16 Court's supplemental briefing order: Carolyn Beech and Diane Scarnavack [Docket No. 254]; CLG  
17 [Docket No. 257]; the U.S. Trustee [Docket No. 259]; the Trustee [Docket No. 260]; the Committee  
18 [Docket No. 264]; and Debt Validation Fund II, LLC, MC DVI Fund 1, LLC, and MC DVI Fund 2,  
19 LLC [Docket No. 267]. The following parties filed responses to the pocket briefs: (i) the Committee  
20 [Docket No. 292]; and (ii) CLG [Docket No. 307].

21 On July 19, 2023, the following parties filed responses to the Sale Motion: Affirma, LLC  
22 [Docket No. 285]; Oxford Knox, LLC [Docket No. 287]; the National Association of Consumer  
23 Bankruptcy Attorneys and National Consumer Bankruptcy Rights Center [Docket No. 288]; Alteryx,  
24 Inc. [Docket No. 289]; Debt Validation Fund II, LLC, MC DVI Fund 1, LLC, and MC DVI Fund 2,  
25 LLC [Docket No. 290]; Azzure Capital, LLC [Docket No. 294]; the U.S. Trustee [Docket No. 296];  
26 OHP-CDR, LP [Docket No. 299]; and the Committee [Docket No. 300].

27 On July 20, 2023, the Trustee filed a reply [Docket No. 313] in support of the Sale Motion.  
28

1 On July 21, 2023, the Bankruptcy Court held a hearing on the Sale Motion. At the hearing,  
2 the Trustee sought approval of a revised and further negotiated form of the CLG PSA to which the  
3 Trustee, the Committee, and CLG agreed. The hearing resulted in a competitive bidding process  
4 between CLG, the Bensamochan Law Group, and Morning Law Group (“MLG”).

5 The bidding process resulted in the selection of MLG as the winning bidder, pursuant to that  
6 certain *Agreement of Purchase and Sale and Joint Escrow Instructions* by and between the Trustee  
7 and MLG [Docket No. 416] (the “Purchase Agreement”). The Purchase Agreement provided for the  
8 transfer of certain of the Debtor’s assets to MLG. The purchase price was calculated as: (i) a deposit  
9 in the amount of \$5.5 million; and (ii) an post-closing “earn-out” calculated as (a) 50% of all amounts  
10 collected by MLG on “Active Executory Contracts,” and (b) 40% of all amounts collected by MLG  
11 on “Inactive Executory Contracts.” The Estate was not entitled to receive earn-out payments until  
12 MLG satisfied the financing it obtained to fund the deposit. At the hearing, the Trustee valued the  
13 MLG bid and Purchase Agreement to be as high as \$84,490,990, based on certain pro forma  
14 assumptions on the performance of the Active Executory Contracts and the ability of MLG to the  
15 recover Inactive Executory Contracts. The actual amount to be received is estimated to be  
16 substantially lower based on, among other things, MLG’s actual retention of active and inactive  
17 executory contracts. As set forth more fully in this Disclosure Statement, the combined recovery  
18 under the Sale Transaction, including the deposit, is estimated at approximately \$14.1 million.

19 On July 22, 2023, the Court entered a memorandum decision [Docket No. 320] approving the  
20 Sale Transaction. On August 2, 2023, the Court entered an order [Docket No. 352] granting the Sale  
21 Motion. The Sale Transaction closed on August 4, 2023.

22 **b. Appointment of the Monitor**

23 On August 7, 2023, the Court entered an order [Docket No. 363] appointing Nancy Rapoport  
24 as ethics compliance monitor (the “Monitor”), pursuant to the Purchase Agreement and Sale Order.  
25 The order of appointment provided that the role of the Monitor is strictly to monitor MLG’s  
26 compliance with generally understood ethical standards and consumer protection obligations in its  
27 going-forward business servicing the Debtor’s former consumer clients.

1 On November 27, 2023, the Monitor filed her first report [Docket No. 720] concerning MLG's  
2 compliance with ethical obligations. On February 21, 2024, the Monitor filed her second report  
3 [Docket No. 951] concerning MLG's compliance with ethical obligations.

4 The Monitor has filed monthly fee statements [Docket Nos. 524, 525, 567, 614, 748, 812,  
5 813, 913, 915, 978] since her appointment. On November 13, 2023, the Bankruptcy Court entered  
6 an order [Docket No. 661] approving a stipulation providing for payment of the Monitor through  
7 funds held by MLG. On February 8, 2024, the Bankruptcy Court entered an order [Docket No. 928]  
8 granting the Trustee's motion to surcharge secured creditor collateral, if any, to fund accrued fees of  
9 the Monitor.

10 **c. Opt-Out Notice and Assumption and Rejection**

11 On August 16, 2023, the Trustee served [Docket Nos. 403, 404] a 90-day opt-out notice to  
12 consumer clients whose LSAs were potentially subject to assumption and assignment, pursuant to  
13 applicable California law. The opt-out notice and procedure were implemented in consultation with  
14 the Trustee, Committee, Monitor, and MLG to comply with applicable law governing a sale of law  
15 firm clients.

16 On September 8, 2023, the Trustee filed a notice [Docket No. 489] of potential assumption  
17 an assignment of executory agreements, pursuant to the Purchase Agreement and Sale Order.  
18 Following service of the notice, the Bankruptcy Court granted [Docket Nos. 523, 555, 927] several  
19 motions to reject executory agreements, including LSA, pursuant to the terms of the Purchase  
20 Agreement and Sale Order.

21 **d. Projected Recoveries and Potential Disputes**

22 The Plan Proponents project that recoveries under the Purchase Agreement will be materially  
23 less than the top line projected estimate existing as of the time of the sale hearing, largely because:  
24 (i) MLG encountered significant difficulty in maintaining the number of Active Executory Contracts  
25 and; (ii) due to the Monitor's position concerning the timing within which MLG was permitted to  
26 begin outreach and recovery of the Inactive Executory Contracts. Specifically, following detailed  
27 financial analysis, the Plan Proponents believe that the ultimate recovery (excluding the deposit)  
28

1 under the earn-out portion of the Sale Transaction will be approximately \$8.6 million. Accordingly,  
2 the combined recovery under the Sale Transaction, including the deposit, is estimated at  
3 approximately \$14.1 million. ***This projected recovery is subject to significant variables, including***  
4 ***the success of MLG's continued efforts to retain additional former consumer clients, and may be***  
5 ***subject to material change.*** For purposes of the Disclosure Statement, the assumption is that MLG  
6 is unable to recover a material amount of the Inactive Executory Contracts.

7 The Plan Proponents and their financial advisors are working closely with MLG to monitor  
8 MLG's performance under the terms of the Purchase Agreement and financial issues that may impact  
9 the ultimate recovery to the Estate. In the course of these discussions, the Plan Proponents have  
10 identified several potential points of dispute between the Estate and MLG concerning interpretations  
11 of the Purchase Agreement, including: (i) the point at which MLG is required to begin remitting earn-  
12 out payments to the Estate; (ii) the basis for the calculation of the earn-out; and (iii) the extent of any  
13 applicable offset rights granted to MLG under the Purchase Agreement. The Estate continues to work  
14 closely with MLG on these issues and, to the extent the Estate is unable to reach a resolution, the  
15 Estate will retain all claims under the Purchase Agreement.

16 **9. The 3012 Motion**

17 On February 7, 2024, the Trustee filed a motion [Docket No. 924] to determine the amount  
18 of secured claims, if any, held by: (i) Everyday Funding Group, (ii) Green Fund, (iii) World Global  
19 Fund, (iv) MCA Capital Holdings, (v) StratCap Management, (vi) Cobalt, (vii) Cloudfund, (viii)  
20 BMF, (ix) Kevlar, and (x) Franklin Capital. The motion provided that relief was appropriate, under  
21 Bankruptcy Rule 3012, because each claim related to a UCC-1 financing statement that was not  
22 terminated notwithstanding the Trustee's belief that the value of the underlying claim was \$0. The  
23 Trustee also sought authority to file UCC-3 termination statements with respect to any creditor whose  
24 claim was valued at \$0. None of the allegedly secured creditors subject to the motion filed responses  
25 or appeared at the hearing on the motion. On March 13, 2024, the Bankruptcy Court entered an order  
26 [Docket No. 1021] granting the motion, valuing the claims of listed secured creditors at \$0, and  
27 permitting the Trustee to file UCC-3 termination statements with respect to such claims.

1           **10.     Motions to Approve Compromises**

2           On February 16, 2024, the Trustee filed a motion [Docket No. 942] to approve a compromise  
3 with Maverick Bankcard, Inc. The Trustee asserted that Maverick established a prepetition reserve  
4 that held approximately \$628,343.18 as of the Petition Date and that Maverick has certain setoff or  
5 recoupment rights with respect to refunds, chargebacks, or ACH returns incurred while processing  
6 payments from the Debtor's consumer clients. Pursuant to the settlement, Maverick has agreed to  
7 apply its setoff rights with respect to the reserve and release to the Debtor \$216,010.65, which is  
8 attributable to the remaining reserve balance and an amount inadvertently withheld postpetition.

9           On March 15, 2024, the Bankruptcy Court entered an order [Docket No. 1027] approving a  
10 stipulation between the Trustee and Pioneer Funding Group II, LLC reclassifying its secured claim  
11 as an unsecured claim and deeming the unsecured claim allowed in the amount of \$366,500, subject  
12 to disallowance, pursuant to § 502(d).

13           On March 19, 2024, the Trustee and City Capital NY filed a stipulation with the Bankruptcy  
14 Court [Docket No. 1041] reclassifying City Capitals secured claim as an unsecured claim and  
15 deeming it allowed in the amount of \$2,950,000.00, subject to disallowance, pursuant to § 502(d).

19 proceeding captioned *The Litigation Practice Group P.C. v. Validation Partners LLC, et al.*, Adv.  
20 Proc. No. 8:23-ap-01029-SC. The complaint sought to extend the automatic stay and enjoin certain  
21 creditors that were pursuing prepetition litigation against the Debtor. On June 9, 2023, following the  
22 Trustee's appointment, the Trustee filed a notice [Docket No. 5] of voluntary dismissal of the  
23 adversary proceeding.

24                 **b.     The OHP Action**

26 Plaintiffs") filed a complaint [Adv. Docket No. 1] initiating the adversary proceeding captioned *OHP-*  
27 *CDR, LP, et al. v. Marshack, et al.*, Adv. Proc. No. 8:23-ap-01098-SC (the "OHP Action"). In the  
28

1 OHP Action, the OHP Plaintiffs seek determination of lien priority and the extent of their alleged  
2 ownership interests in certain assets of the Debtor.

3 On October 13, 2023, the Trustee filed an answer and counterclaims [Adv. Docket No. 7] in  
4 the OHP Action. On October 13, 2023, defendant Azzure Capital, LLC filed an answer [Adv. Docket  
5 No. 10].

6 On November 3, 2023, the OHP Plaintiffs filed an answer [Adv. Docket No. 13] to the  
7 Trustee's counterclaims.

8 On February 21, 2024, the Bankruptcy Court entered an order [Adv. Docket No. 26] setting a  
9 pretrial conference and requiring the OHP Plaintiffs to submit briefing and evidence in support of  
10 their secured status. On March 15, 2024, the OHP Plaintiffs filed a brief [Adv. Docket No. 37] and  
11 related exhibits [Adv. Docket Nos. 36, 38-46]. The pretrial conference is scheduled for April 22,  
12 2024.

13 **c. The Secured Creditor Action**

14 On January 26, 2024, the Trustee filed a complaint [Adv. Docket No. 1] initiating the  
15 adversary proceeding captioned *Marshack v. Bridge Funding Cap, LLC d/b/a Fundura Capital, et*  
16 *al.*, Adv. Proc. No. 8:24-ap-01011-SC (the "Secured Creditor Action"). In the Secured Creditor  
17 Action, the Trustee seeks, with respect to certain alleged secured creditors (the "Secured Creditor  
18 Defendants"), (i) determinations of the validity, extent, and priority of certain Secured Creditor  
19 Defendants' allegedly secured claims, (ii) avoidance, recovery, and preservation of certain secured  
20 claims, and (iii) subordination with respect to certain Secured Creditor Defendants.

21 On February 7, 2024, the Bankruptcy Court entered an order [Adv. Docket No. 10] setting a  
22 pretrial conference and requiring the Secured Creditor Defendants to submit briefing and evidence in  
23 support of their secured status. On March 15, 2024, the following Secured Creditor Defendants filed  
24 briefs: Bridge Funding Cap, LLC D/B/A/ Fundura Capital [Adv. Docket No. 30] and PECC Corp.  
25 [Adv. Docket Nos. 37, 38]. The Trustee entered into stipulations [Adv. Docket Nos. 35, 42] to extend  
26 the briefing deadlines for MNS Funding, LLC, MC DVI Fund 1, LLC, MC DVI Fund 2 LLC, and  
27 Debt Validation Fund II, LLC pending settlement discussions. The pretrial conference is scheduled  
28

1 for April 22, 2024.

2 On March 15, 2024, the Bankruptcy Court entered an order [Docket No. 1030] approving a  
3 stipulation between the Trustee and Marich Bein, LLC treating its purportedly secured claim as  
4 unsecured, subject to disallowance, pursuant to § 502(d), and authorizing the Trustee to file a UCC-  
5 3 termination statement with respect to the UCC-1 filed in favor of Marich Bein, LLC.

6 **d. Marketing and Receivable Purchase Ownership Claim Litigation**

7 As stated above, LPG operated a law firm for consumers across the country who sought  
8 assistance in contesting or resolving certain identified debt. The consumers would pay LPG over a  
9 period of time via monthly debits from their bank accounts. The monthly payments were meant to  
10 cover all legal services LPG provided to the consumers including debt validation, review of  
11 documents to determine enforceability, and court appearances to halt lawsuits to obtain judgments.  
12 In certain instances, LPG would file a lawsuit in an effort to eliminate a disputed debt or to prosecute  
13 affirmative claims held by the consumers. As set forth more fully in the relevant adversary  
14 proceedings, LPG mismanaged the handling of the consumers' monthly payments.

15 To obtain consumer clients, the Trustee alleges that LPG contracted with marketing  
16 companies, who engaged in illegal capping. The marketing companies would advertise or directly  
17 solicit potential consumer clients for LPG. The marketing affiliates went so far as to assist with the  
18 execution of engagement letters between the consumer and LPG. In exchange, LPG agreed to pay the  
19 marketing affiliates a percentage of the monthly payments collected by LPG from the consumers.  
20 Because LPG received payments from consumers over time, it often sought financing by borrowing  
21 against its future cash flows. This borrowing was not only used to finance operations at LPG, but also  
22 to pay the fees owed to the marketing companies for providing client referrals. Many of the  
23 documents executed in connection with such financing described the transactions as accounts  
24 receivable purchase agreements and/or the sale of client files. The Trustee is diligently investigating  
25 and has filed numerous adversary proceedings against marketing affiliates and other entities who  
26 allegedly sold and/or purchased receivables and/or client files. The various adversary proceedings set  
27 forth facts and law to support that these agreements are void or voidable under various theories  
28

1 including that such agreements are illegal, and thus any payments made or collected by these entities,  
2 should be returned to the Estate as avoidable transfers. Ten of these adversary proceedings have been  
3 filed, with numerous others pending.

4 **e. Other Adversary Proceedings**

5 The Trustee is investigating various avoidance actions and actions to recover transfers of  
6 property of the estate. Trustee's attorneys have assisted with this investigation, sending numerous  
7 2004 applications and subpoenas in an attempt to trace assets. Trustee's forensic accountants have  
8 provided an analysis, from various Debtor bank statements, showing what money was transferred  
9 from LPG to various entities within 90 days of and within four years prior the Petition Date. Trustee  
10 has sent various entities "Preference" letters and will continue to investigate and pursue these parties  
11 if reasonable. Trustee anticipates filing these actions in the coming months.

13 **SUMMARY OF THE PLAN**

14 *The following is a general overview only, which is qualified in its entirety by, and should be*  
15 *read in conjunction with, the more detailed discussions and information appearing in the Plan.*

16 **A. Classification and Treatment of Claims and Interests Under the Plan**

17 **1. What Creditors and Interest Holders Will Receive Under the Plan**

18 As required by the Bankruptcy Code, the Plan classifies claims and interests in various classes  
19 according to their rights and priorities. Similarly situated claims are included in the same class.  
20 Claims that have different rights and priorities such as secured creditors are included in their own  
21 class. The Plan also states whether the claims and rights of each class are impaired or unimpaired.  
22 Lastly, the Plan provides for the treatment of for holders of claims in each class (i.e. what will they  
23 receive on account of their claims).

24 **2. Unclassified Claims**

25 Certain types of claims are not placed into voting classes; instead they are unclassified. They  
26 are not considered impaired and they do not vote on the Plan because they are automatically entitled  
27 to specific treatment as set forth in the Bankruptcy Code. In accordance with § 1123(a)(1) of the  
28

1 Bankruptcy Code, Administrative Claims, Priority Tax Claims, and Professional Fee Claims, have  
2 not been classified and, thus, are excluded from the Classes of Claims and Interests set forth in Article  
3 III of the Plan. The following claims are not classified:

4           **a.       Administrative Claims Including Professional Fee Claims**

5           Section 507(a)(2) of the Bankruptcy Code provides for priority treatment of certain claims,  
6 including fees and charges provided under chapter 123 of the Judicial Code, and administrative  
7 expenses allowed under 11 U.S.C. § 503(b). The Bankruptcy Code requires that all such allowed  
8 claims be paid in full on the Effective Date unless a particular Holder agrees to a different treatment.

9           **Holders of Administrative Claims that are required to, but do not, File and serve a**  
10 **request for payment of such Administrative Claims by the applicable Administrative Claims**  
11 **Bar Dates shall be forever barred, estopped, and enjoined from asserting such Administrative**  
12 **Claims against the Estate or its property, and such Administrative Claims shall be deemed**  
13 **satisfied, settled, and released.** Objections to such requests, if any, must be Filed and served on the  
14 Plan Proponents, or Liquidating Trustee, as applicable, and the requesting party not later than the  
15 Administrative Claims Objection Deadline.

16           Unless otherwise agreed to by the Holder of an Allowed Administrative Claim and the Plan  
17 Proponents or the Liquidating Trustee, as applicable, each Holder of an Allowed Administrative  
18 Claim (other than Holders of Professional Fee Claims and Claims for fees and expenses, pursuant to  
19 § 1930 of the Judicial Code) will receive in full and final satisfaction of its Administrative Claim an  
20 amount of Cash equal to the amount of such Allowed Administrative Claim in accordance with the  
21 following: (1) if an Administrative Claim is Allowed as of the Effective Date, on the Effective Date  
22 or thereafter is agreed by any Holder of such Administrative Claim (or, if not then due, when such  
23 Allowed Administrative Claim is due or as soon as reasonably practicable thereafter); (2) if such  
24 Administrative Claim is not Allowed as of the Effective Date, no later than sixty (60) days after the  
25 date on which an order Allowing such Administrative Claim becomes a Final Order, or as soon as  
26 reasonably practicable thereafter; (3) if such Allowed Administrative Claim is based on liabilities  
27 incurred by Debtor or Trustee in the ordinary course of business after the Petition Date in accordance  
28

with the terms and conditions of the particular transaction giving rise to such Allowed Administrative Claim without any further action by the Holder of such Allowed Administrative Claim, when such Allowed Administrative Claim is due or as soon as reasonably practicable thereafter; or (4) at such time and upon such terms as set forth in a Final Order of the Bankruptcy Court or as agreed with the Plan Proponents or Liquidating Trustee, as applicable.

The following chart lists all known potential claims, including Professional Fee Claims, entitled to § 507(a)(2) priority treatment:

The administrative claim amounts set forth above simply represent the Plan Proponents' best

1 estimate as to the identity of Holders and the amounts of projected administrative claims in this case.  
2 The actual administrative claims may be higher or lower. By voting to accept the Plan, creditors are  
3 not acknowledging the validity of, or consenting to the amount of, any of these administrative claims,  
4 and creditors are not waiving any of their rights to object to the allowance of any administrative  
5 claims.

6 **b. Bankruptcy Approval of Professional Fee Claims Required**

7 Unless excepted from the need to file a motion by the Bankruptcy Code or unless the Court  
8 enters an order approving such claims, all professional fees and expenses listed in the foregoing chart  
9 must be approved by Court order before they may be paid. All final requests for payment of  
10 Professional Fee Claims for services rendered and reimbursement of expenses incurred prior to the  
11 Effective Date must be filed no later than forty-five (45) days after the Effective Date. The  
12 Bankruptcy Court shall determine the amounts of such Professional Fee Claims after notice and a  
13 hearing in accordance with the procedures established by the Bankruptcy Code, Bankruptcy Rules,  
14 and prior Bankruptcy Court orders. Only the amount of fees and expenses allowed by the Bankruptcy  
15 Court will be required to be paid under the Plan. Professionals who have been employed in this case  
16 are not being deemed to have agreed that the figures contained herein represent any ceiling on the  
17 amount of fees and expenses that they have incurred or are entitled to seek to be paid pursuant to  
18 Bankruptcy Court order as such fees and expenses are just estimates provided at the time of the  
19 preparation of the Plan.

20 **c. Priority Tax Claims**

21 Priority Tax Claims include certain unsecured income, employment, and other taxes described  
22 by 11 U.S.C. § 507(a)(8). The Bankruptcy Code requires that each Holder of a Priority Tax Claim  
23 (whether secured or unsecured) must receive the present value of such claim in regular installment  
24 payments in cash (i) of a total value, as of the Effective Date of the Plan, equal to the allowed amount  
25 of such claim; (ii) over a period ending not later than five years after the Petition Date; and (iii) in a  
26 manner not less favorable than the most favored non-priority unsecured claim provided for under the  
27 Plan.

1 Except to the extent that a Holder of an Allowed Priority Tax Claim and the Plan Proponents  
2 or the Liquidating Trustee agree to a less favorable treatment for such Holder, in full and final  
3 satisfaction, settlement, and release of and in exchange for each Allowed Priority Tax Claim, each  
4 Holder of such Allowed Priority Tax Claim shall be treated in accordance with the terms set forth in  
5 § 1129(a)(9)(C) of the Bankruptcy Code and, for the avoidance of doubt, Holders of Allowed Priority  
6 Tax Claims will receive interest on such Allowed Priority Tax Claims after the Effective Date in  
7 accordance with §§ 511 and 1129(a)(9)(C) of the Bankruptcy Code.

8 All Allowed Priority Tax Claims will be paid as set forth in the below chart. The Plan  
9 Proponents reserve all rights to object to any alleged Priority Tax Claims.

10 The following chart lists all known § 507(a)(8) Priority Tax Claims and their treatment under  
11 the Plan:<sup>5</sup> The chart is based on the filed claims in this case. Trustee shall either reserve sufficient  
12 funds in the Estate to make such payments or the Liquidating Trust shall be liable to make such  
13 payments as they become due if Trustee funds all estate assets into the Trust.

### **3. Classified Claims and Interests**

#### **a. Classification of Claims and Interests**

Except for the Claims addressed in Section III.B of the Plan, all Claims and Interests are classified in the Classes set forth in Section III.C of the Plan for all purposes, including voting, Confirmation, and distributions pursuant to the Plan and in accordance with §§ 1122 and 1123(a)(1) of the Bankruptcy Code. A Claim or an Interest is classified in a particular Class only to the extent that such Claim or Interest qualifies within the description of that Class and is classified in other Classes to the extent that any portion of such Claim or Interest qualifies within the description of such other Classes. A Claim or Interest also is classified in a particular Class for the purpose of receiving distributions under the Plan only to the extent that such Claim or Interest is an Allowed Claim or Allowed Interest in that Class and has not been paid, released, or otherwise satisfied prior to the Effective Date.

The classification of Claims and Interests against the Debtor pursuant to the Plan is as set

forth below:

Class	Claim / Interest	Status	Voting Rights
1	Secured Claims	Impaired	Entitled to Vote
2	Other Priority Claims	Unimpaired	Not Entitled to Vote (Presumed to Accept)
3	General Unsecured Claims	Impaired	Entitled to Vote
4	Subordinated Claims	Impaired	Not Entitled to Vote (Deemed to Reject under § 1126(g) of the Bankruptcy Code)
5	Equity Interests	Impaired	Not Entitled to Vote (Deemed to Reject under § 1126(g) of the Bankruptcy Code)

**b. Treatment of Claims and Interests**

Subject to Section III.C. of the Plan, each Holder of an Allowed Claim or Allowed Interest, as applicable, shall receive under the Plan the treatment described below in full and final satisfaction, compromise, settlement, and release of, and in exchange for, such Holder's Allowed Claim or Allowed Interest, except to the extent less favorable treatment is agreed to by the Plan Proponents, or the Liquidating Trustee, as applicable, and the Holder of such Allowed Claim or Allowed Interest, as applicable.

The Classes below classify Claims (except for unclassified claims such as Administrative Claims and Priority Tax Claims) against the Estate for all purposes, including voting, confirmation, and distribution pursuant to the Plan.

**c. Class 1 – Classes of Secured Claims**

Secured claims are claims that are secured by Liens on property of the Estate. The following chart sets forth the description and treatment of Secured Claims.

The Secured Claims are subject to substantial dispute. The Plan Proponents have objected, or intend to object, to the validity, priority, perfection, and/or amount of some or all of the Secured Claims on various grounds including, but not limited to, that the Liens purporting to secure the Secured Claims are avoidable under 11 U.S.C. §§ 544, 547, 548, 549, 550, 551, 552, and/or 553, or

1 applicable nonbankruptcy law, or subject to subordination under 11 U.S.C. §§ 510(b) and/or 510(c).  
2 To the extent that the Trustee, the Committee, or Liquidating Trustee files an adversary proceeding  
3 and successfully avoids, recovers, and preserves any Lien held by any Holder of a Secured Claim,  
4 the Estate or Liquidating Trust shall be entitled to rights otherwise afforded the Holders of such  
5 Claims as described below. Additionally, the Plan Proponents have objected, or intend to object, to  
6 the amount of some or all of the Secured Claims on various grounds, pursuant to Bankruptcy Rule  
7 3012. In addition, the Plan Proponents believe that some or all of the Secured Claims, to the extent  
8 Allowed, are subject to disallowance and/or setoff under 11 U.S.C. §§ 502(d) and 553. Holders of  
9 Allowed Secured Claims, following entry of a Final Order Allowing such Secured Claim (or any  
10 portion thereof), will be entitled to the treatment specified by the Plan with respect to any Allowed  
11 amount of such Secured Claim, if any.

12 The Plan sets forth the asserted amount of Secured Claims set forth in corresponding Proofs  
13 of Claim or estimates the amount of the Secured Claim where no Proof of Claim is filed. The Plan  
14 does not treat as Holders of Secured Claims certain parties that filed UCC-1 financing statements  
15 prepetition and whose claim is estimated in the amount of \$0.00, pursuant to the Court's ruling on  
16 that certain motion filed by the Trustee, pursuant to Bankruptcy Rule 3012. Pursuant to the  
17 foregoing ruling, the Court has authorized the Trustee to file UCC-3 termination statements with  
18 respect to such UCC-1 financing statements, and, as such, any claim is not treated in the Plan as a  
19 Secured Claim. In other instances, the Plan estimates certain Secured Claims at \$0.00 to the extent  
20 that the Holders of such Secured Claims have filed UCC-1 financing statements but have neither  
21 filed a Proof of claim nor responded to Trustee's request for information regarding the alleged  
22 Secured Claim. The Plan Proponents believe that such claims have either been fully satisfied or are  
23 otherwise avoidable. All such holders of Secured Claims will be served with the Plan and  
24 Disclosure Statement.

25 Certain Holders of Secured Claims purport to relate to one or more alleged Purchase and Sale  
26 Agreements, pursuant to which the Holders of such Secured Claims may assert an ownership interest  
27 in certain consumer client files, accounts receivable, and/or revenue streams. The Plan preserves the  
28

rights of any Holders of Secured Claims to assert an ownership interest in such client files, accounts receivable, and/or revenue streams, subject to the Ownership Challenge Deadline, and the Estate's and Liquidating Trust's rights to object to or otherwise challenge any such alleged ownership interests.

**d. Class 2 – Classes of Other Priority Claims**

Other Priority Claims are entitled to priority, under §§ 364(c) and 507(a)(4), (a)(5), and (a)(7) of the Bankruptcy Code, including the following:

- Super-Priority Loans: Section 364(c) of the Bankruptcy Code provides that certain loans may be afforded priority over any or all administrative expenses of the kind specified in §§ 503(b) and 507(b) of the Bankruptcy Code. In the Bankruptcy Case, the Court approved loans, two of which remain outstanding:
  - The loan made by Resolution Ventures to the Estate, outstanding amount of \$341,280, which includes a deduction of the amount of outstanding debt credited to fund the initial deposit by MLG under the Sale Order;
  - The loan made by Liberty Acquisitions to the Estate, in the total amount of \$594,362; and
  - The loan made by Pan American to the Estate, in the total amount of \$269,637.
- Wages/Commissions: Claims under § 507(a)(4) of the Bankruptcy Code include unsecured claims for wages, salaries, or commissions (up to \$15,150) earned within 180 days before the Petition Date or when the Debtor's business ends, whichever is earlier. 11 U.S.C. § 507(a)(4).

- 1        -        Contributions to Employee Benefit Plan: Claims under § 507(a)(5) of the Bankruptcy  
2        Code include unsecured claims for contributions to an employee benefit plan arising  
3        from services rendered within 180 days before the Petition Date or when the Debtor's  
4        business ends, whichever is earlier. But claims for wages under (a)(4) are paid first  
5        (up to \$15,150); then claims under (a)(5) for contributions to employee benefit plans  
6        can be recovered next, up to the remainder of the \$15,150 ceiling.
- 7        -        Deposits: Claims under § 507(a)(7) of the Bankruptcy Code include unsecured claims  
8        for amounts paid towards deposits for the purchase, lease, or rental of property or

10        Trustee shall either reserve sufficient funds in the Estate to make the payments due to Class 2  
11 claimants or the Liquidating Trust shall be liable to make such payments as they become due if  
12 Trustee funds all estate assets into the Trust.

General Unsecured Claims are not entitled to priority under § 507(a) of the Bankruptcy Code. The following charts identify the Plan's treatment of the classes containing the General Unsecured Claims.

While there may be a recovery for Holders of Allowed General Unsecured Claims, it is not possible at this time to estimate the ultimate recovery for such Holders based, in part, on the extent

to which asserted Secured Claims are ultimately Allowed, the extent to which any asserted Other Priority Claims and General Unsecured Claims are Disallowed and/or subordinated, and the extent of recoveries from Causes of Action.

Except as otherwise provided in the Plan, nothing under the Plan shall affect the Estate's rights in respect of any Claims that are Unimpaired, including all rights in respect of legal and equitable defenses to or setoffs or recoupments against any such Claims that are Unimpaired. Unless otherwise Allowed, Claims that are Unimpaired shall remain Disputed Claims under the Plan.

1                   i.       **Confirmation Pursuant to §§ 1129(a)(10) and 1129(b) of the Bankruptcy**  
2                               **Code**

3           Section 1129(a)(10) of the Bankruptcy Code shall be satisfied for purposes of confirmation  
4 by acceptance of the Plan by at least one Impaired Class of Claims. The Plan Proponents shall seek  
5 Confirmation of the Plan pursuant to § 1129(b) of the Bankruptcy Code with respect to any rejecting  
6 Class of Claims or Interests. The Plan Proponents reserve the right to modify the Plan in accordance  
7 with the terms of the Plan to the extent, if any, that confirmation, pursuant to § 1129(b) of the  
8 Bankruptcy Code, requires modification, including by modifying the treatment applicable to a Class  
9 of Claims or Interests to render such Class of Claims or Interests Unimpaired to the extent permitted  
10 by the Bankruptcy Code and the Bankruptcy Rules.

11                   j.       **Elimination of Vacant Classes; Presumed Acceptance by Non-Voting**  
12                               **Classes**

13           Any Class of Claims or Interests that does not have a Holder of an Allowed Claim or Allowed  
14 Interest, or a Claim or Interest temporarily Allowed by the Bankruptcy Court in an amount greater  
15 than zero as of the date of the Confirmation Hearing, shall be considered vacant and deemed  
16 eliminated from the Plan for purposes of voting to accept or reject the Plan and for purposes of  
17 determining acceptance or rejection of the Plan by such Class, pursuant to § 1129(a)(8) of the  
18 Bankruptcy Code.

19           If a Class contains Claims or Interests eligible to vote and no Holders of Claims or Interests  
20 eligible to vote in such Class vote to accept or reject the Plan, the Holders of such Claims or Interests  
21 in such Class shall be presumed to have accepted the Plan.

22 **B.       Means of Effectuating the Plan**

23       **1.       Post-Effective Date Management and Dissolution of the Debtor**

24           The Debtor shall be dissolved, under applicable non-bankruptcy law, on the Effective Date or  
25 as soon thereafter as is practicable to accomplish the purposes of the Plan. The Debtor's interests and  
26 rights shall be vested, for all purposes, in the Liquidating Trust.

27           On the Effective Date, the authority, power, and incumbency of the persons acting as directors  
28

1 and officers of the Debtor shall be deemed to have been resigned, solely in their capacities as such, and  
2 the Liquidating Trustee shall be appointed as the sole manager and sole officer of the Debtor and shall  
3 succeed to the powers of the Debtor's directors and officers. From and after the Effective Date, the  
4 Liquidating Trustee shall be the sole representative of, and shall act for, the Debtor to the extent  
5 necessary to implement and effectuate the terms of the Plan.

6 The Debtor shall continue in existence solely for the following limited purposes: (i) making  
7 any Effective Date payments required under the Plan; (ii) transferring the Debtor's assets to the  
8 Liquidating Trust under the terms of the Plan; and (iii) taking all steps to execute all instruments and  
9 documents necessary to effectuate the Plan.

10 **2. The Liquidating Trust**

11 **a. Execution of the Liquidating Trust Agreement**

12 Upon entry of a Confirmation Order, a Liquidating Trust Agreement in a form approved by  
13 the Bankruptcy Court shall be executed, and all other necessary steps shall be taken to establish the  
14 liquidating trust (the "Liquidating Trust") and the Trust Beneficial Interests therein, which shall be  
15 for the benefit of all creditors entitled to Trust Beneficial Interests under the Plan.

16 **b. Purposes of the Liquidating Trust**

17 The Liquidating Trust shall be established and maintained for the purpose set forth in the  
18 Liquidating Trust Agreement, including for the purpose of collecting, distributing, and liquidating all  
19 of the funds and property assigned to the Liquidating Trust and pursuing claims and Causes of Action  
20 assigned to the Liquidating Trust under the Plan for the benefit of the creditors entitled to receive  
21 distributions under the Plan from the Liquidating Trust in accordance with the terms of the  
22 Liquidating Trust Agreement and the Plan. The Liquidating Trust shall have no objective or authority  
23 to continue or to engage in the conduct of any trade or business.

24 **c. Transfer of Property to the Liquidating Trust**

25 **i. Liquidating Trust Assets**

26 On the Effective Date, all right, title, and interest of the Debtor and the Estate in property and  
27 assets of any kind, other than Effective Date distributions to Holders of Allowed Claims entitled to  
28

1 payment on the Effective Date under the terms of the Plan, shall be deemed irrevocably transferred,  
2 absolutely assigned, conveyed, set over and delivered to the Liquidating Trust, in trust to, and in trust  
3 for, the benefit of the Trust Beneficiaries for the uses and purposes stated herein and in the Liquidating  
4 Trust Agreement, free and clear of any and all liens, claims, encumbrances and interests (legal,  
5 beneficial or otherwise) of all other entities to the maximum extent contemplated by and permissible  
6 under § 1141(c) of the Bankruptcy Code, except as set forth in the Plan Confirmation Order or the  
7 Plan. To the extent that certain assets of the Debtor or the Estate (and its right, title and interest in  
8 such assets), because of their nature or because they will accrue subsequent to the Effective Date,  
9 cannot be irrevocably transferred, absolutely assigned, conveyed, set over or delivered to the  
10 Liquidating Trust on the Effective Date, such assets shall be deemed assigned, set over, transferred  
11 and conveyed to the Liquidating Trust as soon as practicable after the Effective Date. The Liquidating  
12 Trustee is hereby granted the Power of Attorney to execute documents on behalf of the Debtor, as  
13 reasonably determined by the Liquidating Trustee (in recordable form where necessary or  
14 appropriate) to vest or perfect in or confirm to the Liquidating Trustee title to and possession of the  
15 Liquidating Trust Assets. Without limitation, the Liquidating Trust Assets shall include all Cash and  
16 Causes of Action of the Estate, less: (i) Effective Date payments to Holders of (a) Allowed  
17 Administrative Claims, (b) Allowed Priority Claims. and (c) Allowed Class 1 Secured Claims; and  
18 (ii) any funds attributable to a creditor or party in interest that makes a timely challenge by the Fund  
19 Challenge Deadline (defined below) concerning the characterization of Post-Petition Funds. Pursuant  
20 to the Liquidating Trust Agreement, the Liquidating Trust will take title to such property subject to  
21 certain specified claims including alleged or disputed Secured Claims. In other words, some of the  
22 funds transferred to the Liquidating Trust may be used to pay Holders of Claims that are not Trust  
23 Beneficiaries.

24 **ii. Fund Challenge Deadline**

25 It is Trustee's belief that the Post-Petition Funds have been or will be earned and are such  
26 property of the Estate for purposes of 11 U.S.C. § 541, and are not property held in trust for third  
27 parties. If any party wishes to dispute the characterization of the Post-Petition Funds as property of  
28

the Estate and/or use of the Funds to fund Plan payments, such parties-in-interest must commence an adversary proceeding no later than \_\_\_\_\_, 2024 (**Fund Challenge Deadline**). The Post-Petition Funds attributable to any creditor or party in interest shall be deemed property of the Estate in accordance with the Plan without further order of the Court if such creditor or party in interest does not commence an adversary proceeding disputing the characterization of such Post-Petition Funds by the Fund Challenge Deadline.

**iii. Ownership Challenge Deadline**

Certain parties claim an ownership interest in client files, receivables, or other property or assets sold, pursuant to the Sale Order, and that such property or receivables do not constitute property of the Estate for purposes of 11 U.S.C. § 541. If any party wishes to assert an ownership interest in any Liquidating Trust Assets, such parties-in-interest must commence an adversary proceeding no later than \_\_\_\_\_, 2024 (**Ownership Challenge Deadline**). Parties in interest that do not commence an adversary proceeding by the Ownership Challenge Deadline shall be barred from, and deemed to have waived and forfeited, any ownership or similar claim in the Liquidating Trust Assets without further order of the Court.

**iv. Transfer Subject to Allowed Secured Claims and Valid, Perfected Liens.**

Notwithstanding the transfer of Liquidating Trust Assets to the Liquidating Trust, such transfer shall be subject to any valid, properly perfected Liens of Holders of Allowed Class 1 Secured Claims and the provisions of the Plan concerning distributions to Holders of Allowed Secured Claims.

**v. Transfer Subject to Payments Required by Plan.**

Should the Liquidating Trust receive assets prior to satisfaction of all claims required to be paid by the Plan, it shall be liable for and the Liquidating Trustee shall be authorized to make such payments (e.g. Class 2 tax payments) from the Trust.

**vi. Substitution in Litigation**

On or after the Effective Date, the Liquidating Trustee, in the capacity as representative of the Liquidating Trust, shall continue as a plaintiff in all Litigation or Causes of Action (on behalf of

beneficiaries of the Liquidating Trust) in which the Debtor, Trustee on behalf of the Estate, or the Committee as the assignee of the Debtor, were plaintiff prior to the Effective Date. On the Effective Date, all claims and Causes of Action including those on the list of Potential Litigation Targets that belong to the Debtor and/or the Estate shall be deemed assigned to the Liquidating Trust for analysis by, and if appropriate pursuit by, the Liquidating Trustee. All recoveries and proceeds arising from litigation and Causes of Action shall be deemed assigned, set over, transferred, and conveyed to the Liquidating Trust upon receipt thereof. All fees and costs of the Liquidating Trust (and agents thereof) arising from or relating to pursuing litigation or Causes of Action or other services performed at the request of the Liquidating Trustee on behalf of the Liquidating Trust shall be paid in accordance with the Liquidating Trust Agreement. On and after the Effective Date the Liquidating Trustee shall be duly authorized to pursue, or to continue to pursue Causes of Action transferred to the Liquidating Trust. Subject to the terms of the Liquidating Trust Agreement, the Liquidating Trustee shall have full power and authority to settle, adjust, retain, enforce, or abandon the Causes of Action transferred to the Liquidating Trust, regardless of whether the pursuit of such claims was commenced prior or subsequent to the Effective Date.

**d. Securities Exempt**

Under § 1145 of the Bankruptcy Code, the issuance of Trust Beneficial Interests to Trust Beneficiaries, to the extent such Trust Beneficial Interests are deemed to be “securities,” shall be exempt from registration under the Securities Act, as amended, and all applicable state and local laws requiring registration of securities. If the Liquidating Trustee determines, with the advice of counsel, that the Liquidating Trust is required to comply with the registration and reporting requirements of the Securities and Exchange Act of 1934, as amended, or the Investment Company Act of 1940, as amended, then the Liquidating Trustee shall take any and all actions to comply with such reporting requirements and file necessary periodic reports with the Securities and Exchange Commission.

**e. Establishment of Post-Confirmation Oversight Committee**

Prior to the Effective Date, a committee shall be appointed to serve as the Post-Confirmation Oversight Committee pursuant to the terms of an agreement to be set forth in the Plan Supplement

1 (“Post-Confirmation Oversight Committee Bylaws”). Members of the Post-Confirmation Oversight  
2 Committee shall have the duties and oversight responsibilities set forth in the Liquidating Trust  
3 Agreement and in the Plan.

4 **f. Governance of Liquidating Trust**

5 The Liquidating Trust shall be governed by the Liquidating Trustee, subject to the oversight  
6 of the Post-Confirmation Oversight Committee, in accordance with the Liquidating Trust Agreement  
7 and consistent with the Plan.

8 **g. Designation of Liquidating Trustee**

9 Richard A. Marshack, or any successor appointed pursuant to the terms of the Liquidating  
10 Trust Agreement (“Liquidating Trustee”), shall serve as the Liquidating Trustee, subject to the  
11 provisions of the Liquidating Trust Agreement. The Liquidating Trustee shall retain and have all the  
12 rights, powers, and duties necessary to carry out his or her responsibilities under the Plan and the  
13 Liquidating Trust Agreement, and as otherwise provided in the Confirmation Order. The duties,  
14 obligations, and responsibilities of the Liquidating Trustee shall be as set forth in the Liquidating  
15 Trust Agreement. The Liquidating Trustee’s responsibilities, duties and obligations are solely to the  
16 Trust Beneficiaries. The Liquidating Trustee shall have an independent right and standing to request  
17 relief from the Bankruptcy Court that the Liquidating Trustee believes to be in accordance with the  
18 best interests of the Trust Beneficiaries. The Liquidating Trustee and Post-Confirmation Oversight  
19 Committee shall each be deemed to be a “party in interest” within the meaning of § 1109(b) of the  
20 Bankruptcy Code and a representative of the Estate under Bankruptcy Code §§ 1123(b)(3) and  
21 1129(a)(5).

22 **h. Rights, Powers, and Privileges of the Liquidating Trustee**

23 The Liquidating Trustee shall have all of the rights, powers, and privileges of a chapter 11  
24 trustee and as expressly provided in the Plan and the Liquidating Trust Agreement. The Liquidating  
25 Trustee shall have the power to take the actions granted in the Liquidating Trust Agreement and any  
26 powers reasonably incidental thereto that the Liquidating Trustee, in his reasonable discretion, deems  
27 necessary or appropriate to fulfill the purpose of the Liquidating Trust, unless otherwise specifically  
28

1 limited or restricted by the Plan or the Liquidating Trust Agreement. The Liquidating Trustee shall  
2 be compensated in accordance with the Liquidating Trust Agreement.

3 **i. Agents and Professionals**

4 Subject to the provisions of the Liquidating Trust Agreement, the Liquidating Trustee shall  
5 consult with and retain attorneys, accountants, appraisers, or other parties deemed by the Liquidating  
6 Trustee to have qualifications necessary to assist in the proper administration of the Liquidating Trust.  
7 The Liquidating Trustee may pay the reasonable salaries, fees, and expenses of such persons,  
8 including contingency fees, out of the Liquidating Trust Assets in the ordinary course to the extent  
9 permitted in the Liquidating Trust Agreement.

10 **j. Investment and Safekeeping of Liquidating Trust Assets**

11 All monies and other Liquidating Trust Assets received by the Liquidating Trustee shall, until  
12 distributed or paid over as provided in the Liquidating Trust Agreement and the Plan, be held in the  
13 Liquidating Trust for the benefit of the Trust Beneficiaries, but need not be segregated from other  
14 Liquidating Trust Assets, unless and to the extent required by law or the Plan. The Liquidating Trustee  
15 shall be under no liability for interest or producing income on any moneys received by the Liquidating  
16 Trust and held for distribution or payment to the beneficiaries of the Liquidating Trust, except as such  
17 interest shall actually be received by the Liquidating Trustee. Investments of any moneys held by the  
18 Liquidating Trustee shall be administered in view of the manner in which individuals of ordinary  
19 prudence, discretion and judgment would act in the management of their own affairs. For the removal  
20 of doubt, the investment powers of the Liquidating Trustee, other than those reasonably necessary to  
21 maintain the value of the Liquidating Trust Assets and to further the liquidating purpose of the  
22 Liquidating Trust, are limited to powers to invest in demand and time deposits, such as short-term  
23 certificates of deposits, in banks or other savings institutions, or other temporary, liquid investments,  
24 such as treasury bills.

25 **k. Limitations on Liquidating Trustee and Payment of Fees**

13 from the Bankruptcy Court). After the expiration of the 270-day period for the Liquidating Trustee  
14 to file objections to claims (and the expiration of any extended period requested and granted by the  
15 Liquidating Trustee), and the final resolution of any then-pending claims objections, all creditor  
16 claims shall be deemed fixed.

17 **e. Estimation**

18 The Liquidating Trustee may at any time request that the Bankruptcy Court estimate any  
19 contingent, unliquidated or disputed Claim pursuant to § 502(c) of the Bankruptcy Code regardless  
20 of whether the Debtor of the Liquidating Trust previously objected to such Claim, and the Bankruptcy  
21 Court shall retain jurisdiction to estimate any claim at any time during litigation concerning any  
22 objection to any claim, including, without limitation, during the pendency of any appeal relating to  
23 any such objection. In the event that the Bankruptcy Court estimates any contingent, unliquidated or  
24 disputed Claim, the amount so estimated shall constitute either the Allowed amount of such Claim or  
25 a maximum limitation on such Claim, as determined by the Bankruptcy Court. If the estimated  
26 amount constitutes a maximum limitation on the amount of such Claim, the Liquidating Trustee may  
27 pursue supplementary proceedings to object to the allowance of such Claim. All of the  
28

1 aforementioned objection, estimation and resolution procedures are intended to be cumulative and  
2 not exclusive of one another. On and after the Effective Date, Claims that have been estimated may

15 determines that doing so is more reliable than other methods for making payment.

16 Checks issued by the Trustee to pay Allowed Claims shall be null and void if not negotiated  
17 within ninety (90) days after the date of issuance thereof ("Claiming Period"). Requests for reissuance  
18 of any check shall be made to the Trustee by the Holder of the Allowed Claim to whom such check  
19 originally was issued, prior to the expiration of the Claiming Period. After such date, the unclaimed

21 Any executory contracts or unexpired leases (i) which have not expired by their own terms

2 § 365(b)(1) of the Bankruptcy Code, such dispute shall be determined either (x) by agreement of the  
3 parties to such dispute or (y) following the entry of a Final Order or orders resolving the dispute and  
4 approving the assumption (or assumption and assignment).

5 At least fourteen (14) days prior to the Confirmation Hearing, and except as to any Executory  
6 Contracts or Unexpired Leases that have been assumed or rejected by a separate order of the Court,  
7 the Liquidating Trustee shall distribute, or cause to be distributed to the applicable counterparties and  
8 their known counsel, notices of proposed assumption (or assumption and assignment), proposed cure,  
9 procedures for objecting thereto, and procedures for resolution by the Bankruptcy Court of any related  
10 disputes. Any objection by a counterparty to an Executory Contract or Unexpired Lease to a proposed  
11 assumption (or assumption and assignment) or related cure amount must be filed, served, and actually  
12 received by the Debtors at least three (3) days prior to the Confirmation Hearing. Any counterparty  
13 to an Executory Contract or Unexpired Lease that fails to object timely to the proposed assumption  
14 (or assumption and assignment) or cure amount will be deemed to have assented to such assumption  
15 (or assumption and assignment) or cure. To the extent that the Liquidating Trustee seek to assume  
16 (or assume and assign) an Executory Contract or Unexpired Lease pursuant to the Plan, the  
17 Liquidating Trustee will (in the applicable notice and/or Schedule): (a) identify the assignee; and (b)

23 Bankruptcy Code, assumption (or assumption and assignment) of any Executory Contract or  
24 Unexpired Lease pursuant to the Plan or otherwise shall result in the full release and satisfaction of  
25 any Cure Obligations or defaults, whether monetary or nonmonetary, including defaults of provisions  
26 restricting the change in control or ownership interest composition or other bankruptcy-related  
27 defaults, arising under any assumed (or assumed and assigned) Executory Contract or Unexpired  
28

1 Lease at any time prior to the effective date of assumption (or assumption and assignment). Subject  
2 to full satisfaction of Cure Obligations, any Proofs of Claim filed with respect to an Executory  
3 Contract or Unexpired Lease that has been assumed (or assumed and assigned) shall be deemed  
4 Disallowed and expunged, without further notice to or action, order, or approval of the Bankruptcy  
5 Court.

6 The Trustee or the Liquidating Trustee may settle any Cure Claim dispute without any further  
7 notice to or action, order, or approval of the Bankruptcy Court; provided that notice of such settlement  
8 will be distributed to known counsel of the applicable counterparty by electronic mail.

9 **14. Preexisting Obligations to the Debtors under Executory Contracts and**  
10 **Unexpired Leases.**

11 Rejection of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise  
12 shall not constitute a termination of preexisting obligations owed to the Debtor or the Estate, as  
13 applicable, under such Executory Contracts or Unexpired Leases. In particular, notwithstanding any  
14 non-bankruptcy law to the contrary, the Liquidating Trustee expressly reserves and does not waive  
15 any right to receive, or any continuing obligation of a counterparty to provide, warranties or continued  
16 maintenance obligations on goods or services previously purchased by the Debtor contracting from  
17 non-debtor counterparties to rejected Executory Contracts or Unexpired Leases.

20 jurisdiction which exists in any other court, the Bankruptcy Court will retain such jurisdiction as is  
21 legally permissible including for the following purposes:

23 of the Plan (including Plan Supplements), Confirmation Order, and Liquidating Trust Agreement;  
24 ii. To determine the allowability, classification, or priority of Claims upon objection by  
25 the Trustee, the Liquidating Trustee, or any other parties in interest with standing to bring such  
26 objection or proceeding and to consider any objection to claim whether such objection is filed before  
27 or after the Effective Date;

1           iii.     To determine the extent, validity, perfection, and priority of any Lien asserted against  
2 property of the Debtor, property of the Debtor's Estate, and property of the Liquidating Trust;

8 respect to any person or entity related thereto;

11 Effective Date;

12          vi.     To determine any request for payment of administrative expenses of the Estate;

15 therefrom;

16          viii.   To determine all applications, motions, adversary proceedings, contested matters, and  
17 any other litigated matters instituted during the pendency of the Bankruptcy Case, whether before,  
18 on, or after the Effective Date including Causes of Action, and the Retained Actions. The Liquidating  
19 Trustee shall have the right and standing to commence any Causes of Action after the Effective Date

25 apparent defect or omission in the Plan or to reconcile any inconsistency in the Plan so as to carry out  
26 its intent and purpose;

27          xi.     Except as otherwise provided in the Plan or the Plan Confirmation Order, to issue  
28

injunctions, to take such other actions or make such other orders as may be necessary or appropriate to restrain interference with the Plan or the Confirmation Order, or the execution or implementation by any person or entity of the Plan or the Confirmation Order;

#### **16. Reservation of Rights**

Neither the exclusion nor inclusion of any Executory Contract or Unexpired Lease on the Assumed Executory Contracts and Unexpired Leases Schedule, nor anything contained in the Plan, shall constitute an admission by the Plan Proponents or the Liquidating Trustee that any such contract or lease is in fact an Executory Contract or Unexpired Lease or that the Debtor or the Estate has any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Plan Proponents or the Liquidating Trustee shall have thirty (30) days following entry of a Final Order resolving such dispute to alter its treatment of such contract or lease under the Plan.

#### **C. Effect of Confirmation of the Plan**

##### **1. Discharge**

The Debtor will not receive a discharge under the Plan pursuant to and in accordance with the provisions of § 1141 of the Bankruptcy Code because the Plan contemplates and will result in a sale or liquidation of all or substantially all of the property of the Debtor's Estate.

1           **2. No Revesting of Estate Property in the Debtor**

2           All Property of the Estate will remain Property of the Estate and/or the Liquidating Trust free  
3 and clear of all claims and interests except as provided in the Plan. No Estate assets shall revert to the  
4 Debtor as a result of confirmation. The Liquidating Trustee shall be the entity responsible for carrying  
5 out the terms of the Plan and to comply with any orders of the Court regarding the Plan or the assets  
6 of the Estate, subject to the terms of the Liquidating Trust Agreement and the Confirmation Order.

8           As specified in § 1125(e) of the Bankruptcy Code, persons that solicit acceptances or  
9 rejections of the Plan and/or that participate in the offer, issuance, sale, or purchase of securities  
10 offered or sold under the Plan, in good faith and in compliance with the applicable provisions of the  
11 Bankruptcy Code, shall not be liable on account of such solicitation or participation, for violation of

18 retained by any of them, whether or not by Court order shall have or incur liability to any person or  
19 entity for an act taken or omission made in good faith in connection with or related to the formulation  
20 and implementation of the Plan, the Disclosure Statement, or a contract, instrument, release, or other  
21 agreement or document created in connection therewith, the solicitation of acceptances for or  
22 confirmation of the Plan, or the consummation and implementation of the Plan and the transactions  
23 contemplated therein. Each of the exculpated persons set forth in this Section shall in all respects be  
24 entitled to reasonably rely on the advice of counsel with respect to its duties and responsibilities under  
25 the Plan. Notwithstanding the foregoing, nothing contained in the Plan shall effectuate an exculpation,  
26 release, or injunction in favor of the Debtor's employees, officers, directors, shareholders, agents,  
27 members, representatives, Affiliates, alter egos, or the professionals employed or retained by any of  
28

1 them, and all rights and Causes of Action held by the Estate against any of the foregoing are expressly  
2 preserved by the Plan.

3 **5. Preservation of all Litigation and Causes of Action**

4 After confirmation of the Plan, the Liquidating Trust shall retain all rights to continue,  
5 commence and pursue, as appropriate, any and all claims or Causes of Action, including those  
6 identified in the Plan Supplement, and objections to Claims, whether arising before or after the date  
7 on which the Debtor filed its petition, in any court or other tribunal including, without limitation, in  
8 an adversary proceeding filed in the Bankruptcy Case. The failure to list any potential or existing  
9 claims or causes of action shall not limit the rights of the Liquidating Trustee to pursue any claims or  
10 causes of action not listed or identified. After the Effective Date, the Liquidating Trustee shall have  
11 the absolute authority to prosecute, waive, adjust, or settle any and claims, including all Causes of  
12 Action, without the need for approval by the Court, subject to the terms of the Liquidating Trust  
13 Agreement.

14 Unless a claim or Cause of Action against a creditor or other entity is expressly waived,  
15 relinquished, released, compromised, or settled in the Plan or any other Final Order of the Court, the  
16 Estate expressly reserves such claim or Cause of Action for later adjudication (including, without  
17 limitation, claims and causes of action not specifically identified or which the Debtor or its Estate  
18 may presently be unaware or which may arise or exist by reason of additional facts or circumstances  
19 unknown to the Plan Proponents, or the Estate at this time or facts or circumstances which may change  
20 or be different from those which the Plan Proponents or the Estate now believe to exist). No  
21 preclusion doctrine, including, without limitation, the doctrines of res judicata, collateral estoppel,  
22 issue preclusion, claim preclusion, waiver, estoppel (judicial, equitable, or otherwise) or laches shall  
23 apply to such claims, or Causes of Action upon or after the confirmation or consummation of the Plan  
24 based on the Disclosure Statement, the Confirmation Order, except where such claims and Causes of  
25 Action have been explicitly released in the Plan. In addition, the Liquidating Trust, and the Estate  
26 expressly reserve the right to pursue or adopt any claims alleged in any lawsuit in which the Debtor  
27 is a defendant or an interested party, against any person or entity, including without limitation, the  
28

1 plaintiff or co-defendant in such lawsuits.

2 Delivery (by any means) of the Plan or the Disclosure Statement approved by the Court to  
3 any person whom the Debtor and/or Estate has incurred an obligation, or who has received a transfer  
4 of money or property of the Debtor, or who has transacted business with the Debtor or the Estate shall  
5 constitute actual notice that such obligation, transfer, or transaction may be reviewed by the Trustee  
6 subsequent to the approval by the Court of the Plan and may, if appropriate, be the subject of an  
7 action after the approval by the Court of the Plan, whether or not (i) such person has filed a proof of  
8 claim in this Case; (ii) such person's proof of claim has been the subject of an objection; (iii) such  
9 person's claim was included in the schedules; or (iv) such person's scheduled claim has been  
10 identified by the Trustee as disputed, contingent, or unliquidated.

11 **6. Modification of the Plan**

12 The Plan Proponents may modify the Plan at any time before confirmation. However, the  
13 Bankruptcy Court may require a new disclosure statement and/or re-voting on the Plan if the Plan  
14 Proponents materially modifies the Plan before confirmation. The Liquidating Trustee may seek to  
15 modify the Plan at any time after confirmation of the Plan so long as (1) the Plan has not been  
16 substantially consummated, (2) such modification is approved by the Post-Confirmation Oversight  
17 Committee, or (3) the Bankruptcy Court authorizes the proposed modifications after notice and a  
18 hearing.

19 **7. Post-Confirmation Status Reports**

20 Within 120 days of the entry of the order confirming the Plan, the Liquidating Trustee shall  
21 file a status report with the Court explaining what progress has been made toward consummation of  
22 the confirmed Plan. The status report shall be served on the United States Trustee and those parties  
23 who have requested special notice. Further status reports shall be filed approximately every four  
24 months and served on the same parties until entry of a final decree or otherwise ordered by the Court.

25 **8. Post-Confirmation U.S. Trustee Fees**

26 Upon the Effective Date, the Trustee and Liquidating Trustee shall be responsible for timely  
27 payment of quarterly fees due and payable, if any, until the Case is closed, to the extent required by  
28

1 § 1930(a)(6) of the Judicial Code. The Liquidating Trustee may, subject to the Liquidating Trust  
2 Agreement, seek to close the case post-Effective Date. Unless otherwise adjudicated by the Court,  
3 distributions made by the Liquidating Trustee on behalf of and from the Liquidation Trust shall not  
4 be subject to quarterly fees.

5 **9. Risk Factors**

6 The risk factors with respect to the Plan include, but are not limited to, the following: (1) the  
7 financial projections set forth in the Disclosure Statement may not be realized thereby causing  
8 inability to make Plan payments; (2) the uncertainty associated with the “earn-out” under the Sale  
9 Transaction; (3) the risk of business and/or economic downturn; (4) the costs and uncertainty of  
10 potential litigation; and (5) non-bankruptcy law regulations.

11 **10. Tax Consequences of the Plan**

12 THE FOLLOWING IS INTENDED TO BE ONLY A SUMMARY OF SELECTED  
13 FEDERAL AND STATE INCOME TAX CONSEQUENCES OF THE PLAN AND IS NOT A  
14 SUBSTITUTE FOR CAREFUL TAX PLANNING WITH, AND RECEIPT OF TAX ADVICE  
15 FROM, A TAX PROFESSIONAL. THE SELECTED FEDERAL AND STATE TAX  
16 CONSEQUENCES THAT ARE DESCRIBED HEREIN AND OTHER FEDERAL, STATE AND  
17 LOCAL TAX CONSEQUENCES THAT ARE NOT ADDRESSED HEREIN ARE COMPLEX  
18 AND, IN SOME CASES, UNCERTAIN. SUCH TAX CONSEQUENCES MAY ALSO VARY  
19 BASED ON THE INDIVIDUAL CIRCUMSTANCES OF EACH HOLDER OF AN ALLOWED  
20 CLAIM OR EQUITY INTEREST. ACCORDINGLY, EACH HOLDER OF AN ALLOWED  
21 CLAIM OR EQUITY INTEREST IS STRONGLY ADVISED TO CONSULT WITH ITS OWN  
22 TAX ADVISOR REGARDING THE FEDERAL, STATE AND LOCAL TAX CONSEQUENCES  
23 OF THE PLAN. THE BELOW SUMMARY OF TAX CONSEQUENCES IS NOT INTENDED TO  
24 BE AND IS NOT TAX ADVICE. THE DEBTORS DO NOT INTEND TO REQUEST A TAX  
25 RULING FROM THE INTERNAL REVENUE SERVICE OR ANY OTHER TAXING  
26 AUTHORITY WITH RESPECT TO ANY OF THE TAX CONSEQUENCES OF THE PLAN.  
27 CONSEQUENTLY, THE INTERNAL REVENUE SERVICE OR ANOTHER TAXING  
28

1 AUTHORITY MAY DISAGREE WITH AND MAY CONTEST ONE OR MORE OF THE TAX  
2 CONSEQUENCES DESCRIBED HEREIN TO THE DEBTOR, HOLDERS OF CLAIMS AND  
3 HOLDERS OF INTERESTS.

4           **a.       Federal Income Tax Consequences to Certain Creditors**

5                   **i.       In General**

6           Generally, a Holder of a Claim should in most, but not all circumstances, recognize gain or  
7 loss equal to the difference between the “amount realized” by such Holder in exchange for its Claim  
8 and such Holder’s adjusted tax basis in the Claim. The “amount realized” is equal to the sum of the  
9 cash and the fair market value of any other consideration received under a plan in respect of a Holder’s  
10 Claim. The tax basis of a Holder in a Claim will generally be equal to the Holder’s cost therefor. To  
11 the extent applicable, the character of any recognized gain or loss (e.g., ordinary income, or short-  
12 term or long-term capital gain or loss) will depend upon the status of the Holder, the nature of the  
13 Claim in the Holder’s hands, the purpose and circumstances of its acquisition, the Holder’s holding  
14 period of the Claim, and the extent to which the Holder previously claimed a deduction for the  
15 worthlessness of all or a portion of the Claim. Generally, if the Claim is a capital asset in the Holder’s  
16 hands, any gain or loss realized will generally be characterized as capital gain or loss, and will  
17 constitute long-term capital gain or loss if the Holder has held such Claim for more than one year.

18           A creditor who received Cash in satisfaction of its Claims may recognize ordinary income or  
19 loss to the extent that any portion of such consideration is characterized as accrued interest. A creditor  
20 who did not previously include in income accrued but unpaid interest attributable to its Claim, and  
21 who receives a distribution on account of its Claim pursuant to the Plan, will be treated as having  
22 received interest income to the extent that any consideration received is characterized for U.S. federal  
23 income tax purposes as interest, regardless of whether such creditor realizes an overall gain or loss  
24 as a result of surrendering its Claim. A creditor who previously included in its income accrued but  
25 unpaid interest attributable to its Claim should recognize an ordinary loss to the extent that such  
26 accrued but unpaid interest is not satisfied, regardless of whether such creditor realizes an overall  
27 gain or loss as a result of the distribution it may receive under the Plan on account of its Claim.

Under the Plan, the Holders of certain Claims will likely receive only a partial distribution of their Allowed Claims. As discussed herein, Holders of Allowed General Unsecured Claims will receive respective Trust Beneficial Interests, which is discussed further below. Whether the applicable Holder of such Claims will recognize a loss or any other tax treatment will depend upon facts and circumstances that are specific to the nature of the Holder and its Claims. Creditors should consult their own tax advisors.

**ii. Non-United States Persons**

A Holder of a Claim that is a Non-U.S. Person generally will not be subject to U.S. federal income tax with respect to property (including money) received in exchange for such Claim pursuant to the Plan, unless (i) such Holder is engaged in a trade or business in the United States to which income, gain or loss from the exchange is “effectively connected” for United States federal income tax purposes, or (ii) if such Holder is an individual, such Holder is present in the United States for 183 days or more during the taxable year of the exchange and certain other requirements are met.

**iii. Tax Consequences in Relation to the Liquidating Trust**

As of the Effective Date, the Liquidating Trust will be established for the benefit of the Holders of Allowed General Unsecured Claims. The tax consequences of the Plan in relation to the Liquidating Trust and the Trust Beneficiaries are subject to uncertainties due to the complexity of the Plan and the lack of interpretative authority regarding certain changes in the tax law.

Allocations of taxable income of the Liquidating Trust (other than taxable income allocable to the Liquidating Trust’s claims reserves) among holders of Claims will be determined by reference to the manner in which an amount of cash equal to such taxable income would be distributed (were such cash permitted to be distributed at such time) if, immediately prior to such deemed distribution, the Liquidating Trust had distributed all of its assets (valued at their tax book value) to the Trust Beneficiaries, adjusted for prior taxable income and loss and taking into account all prior and concurrent distributions from the Liquidating Trust. Similarly, taxable loss of the Liquidating Trust will be allocated by reference to the manner in which an economic loss would be borne immediately after a liquidating distribution of the remaining trust assets.

1 The tax book value of the trust assets for this purpose will equal their fair market value on the  
2 Effective Date, adjusted in accordance with tax accounting principles prescribed by the Tax Code,  
3 applicable Treasury Regulations, and other applicable administrative and judicial authorities and  
4 pronouncements. Uncertainties with regard to federal income tax consequences of the Plan may arise  
5 due to the inherent nature of estimates of value that will impact tax liability determinations.

6 Subject to definitive guidance from the IRS or a court of competent jurisdiction to the contrary  
7 (including the receipt of an IRS private letter ruling if the Liquidating Trustee so requests one, or the  
8 receipt of an adverse determination by the IRS upon audit if not contested by the Liquidating Trustee),  
9 the Liquidating Trustee may (a) elect to treat any trust assets allocable to, or retained on account of,  
10 Disputed Claims as a “disputed ownership fund” governed by Treasury Regulation Section 1.468B-  
11 9, and (b) to the extent permitted by applicable law, report consistently with the foregoing for state  
12 and local income tax purposes. Accordingly, any reserve for Disputed Claims will be subject to tax  
13 annually on a separate entity basis on any net income earned with respect to the trust assets in such  
14 reserves, and all distributions from such reserves will be treated as received by holders in respect of  
15 their Claims as if distributed by the Debtor. All parties (including, without limitation, the Liquidating  
16 Trustee and the holders of beneficial interests in the Liquidating Trust) will be required to report for  
17 tax purposes consistently with the foregoing.

18 The Liquidating Trust is intended to qualify as a liquidating trust for federal income tax  
19 purposes. In general, a liquidating trust is not a separate taxable entity but rather is treated for federal  
20 income tax purposes as a “grantor” trust (i.e., a pass-through entity). The IRS, in Revenue Procedure  
21 94-45, 1994-28 I.R.B. 124, set forth the general criteria for obtaining an IRS ruling as to the grantor  
22 trust status of a liquidating trust under a chapter 11 plan. The Liquidating Trust has been structured  
23 with the intention of complying with such general criteria. Pursuant to the Plan and Liquidating Trust  
24 Agreement, and in conformity with Revenue Procedure 94-45, *supra*, all parties (including the  
25 Liquidating Trustee and the Trust Beneficiaries) are required to treat for federal income tax purposes,  
26 the Liquidating Trust as a grantor trust of which the holders of the applicable Allowed Claims are the  
27 owners and grantors. While the following discussion assumes that the Liquidating Trust would be so  
28

1 treated for federal income tax purposes, no ruling has been requested from the IRS concerning the  
2 tax status of the Liquidating Trust as a grantor trust. Accordingly, there can be no assurance that the  
3 IRS would not take a contrary position to the classification of the Liquidating Trust as a grantor trust.  
4 If the IRS were to challenge successfully such classification, the federal income tax consequences to  
5 the Liquidating Trust and the beneficiaries thereof could materially vary from those discussed herein.

6 In general, each creditor who is a beneficiary of the Liquidating Trust will recognize gain or  
7 loss in an amount equal to the difference between (i) the “amount realized” by such Trust Beneficiary  
8 in satisfaction of its applicable Allowed Claim, and (ii) such Trust Beneficiary’s adjusted tax basis in  
9 such Claim. The “amount realized” by a Trust Beneficiary will equal the sum of Cash and the  
10 aggregate fair market value of the property received by such party pursuant to the Plan (such as a  
11 Trust Beneficiary’s undivided beneficial interest in the assets transferred to the Liquidating Trust).  
12 Where gain or loss is recognized by a beneficiary in respect of its Allowed Claim, the character of  
13 such gain or loss (i.e., long-term or short-term capital, or ordinary income) will be determined by a  
14 number of factors including the tax status of the party, whether the Claim constituted a capital asset  
15 in the hands of the party and how long it had been held, whether the Claim was originally issued at a  
16 discount or acquired at a market discount and whether and to what extent the party had previously  
17 claimed a bad debt deduction in respect of the Claim.

18 After the Effective Date, any amount that a creditor receives as a distribution from the  
19 Liquidating Trust in respect of its Trust Beneficial Interest should not be included, for federal income  
20 tax purposes, in the party’s amount realized in respect of its Allowed Claim, but should be separately  
21 treated as a distribution received in respect of such party’s Trust Beneficial Interest.

22 In general, a beneficiary’s aggregate tax basis in its undivided beneficial interest in the assets  
23 transferred to the Liquidating Trust will equal the fair market value of such undivided beneficial  
24 interest as of the Effective Date and the Trust Beneficiary’s holding period in such assets will begin  
25 the day following the Effective Date. Distributions to any Trust Beneficiary will be allocated first to  
26 the original principal portion of the Trust Beneficiary’s Allowed Claim as determined for federal tax  
27 purposes, and then, to the extent the consideration exceeds such amount, to the remainder of such  
28

1 Claim. However, there is no assurance that the IRS will respect such allocation for federal income  
2 tax purposes.

3 For all federal income tax purposes, all parties (including the Liquidating Trustee and the  
4 Trust Beneficiaries) will treat the transfer of assets to the Liquidating Trust, in accordance with the  
5 terms of the Plan and Liquidating Trust Agreement, as a transfer of those assets directly to the Holders  
6 of the applicable Allowed Claims followed by the transfer of such assets by such Holders to the  
7 Liquidating Trust. Consistent therewith, all parties will treat the Liquidating Trust as a grantor trust  
8 of which such Holders are to be owners and grantors. Thus, such Holders (and any subsequent Trust  
9 Beneficiaries) will be treated as the direct owners of an undivided beneficial interest in the assets of  
10 the Liquidating Trust for all federal income tax purposes. Accordingly, each holder of a Trust  
11 Beneficial Interest will be required to report on its federal income tax return(s) the Holder's allocable  
12 share of all income, gain, loss, deduction or credit recognized or incurred by the Liquidating Trust.

13 The Liquidating Trust's taxable income will be allocated to the Trust Beneficiaries in  
14 accordance with each such Holder's Pro Rata share. The character of items of income, deduction and  
15 credit to any Holder and the ability of such Holder to benefit from any deductions or losses may  
16 depend on the particular situation of such Holder.

17 The federal income tax reporting obligation of a Trust Beneficiary is not dependent upon the  
18 Liquidating Trust distributing any cash or other proceeds. Therefore, a Trust Beneficiary may incur  
19 a federal income tax liability regardless of the fact that the Liquidating Trust has not made, or will  
20 not make, any concurrent or subsequent distributions to the Holder. If a Holder incurs a federal tax  
21 liability but does not receive distributions commensurate with the taxable income allocated to it in  
22 respect of its Trust Beneficial Interests, the Holder may be allowed a subsequent or offsetting loss.

23 The Liquidating Trustee will file with the IRS returns for the Liquidating Trust as a grantor  
24 trust pursuant to Treasury Regulations Section 1.671-4(a). The Liquidating Trust will also send to  
25 each Trust Beneficiary a separate statement setting forth the Holder's share of items of income, gain,  
26 loss, deduction or credit and will instruct the Holder to report such items on its federal income tax  
27 return. For the avoidance of doubt, the Liquidating Trustee shall file with the IRS and other taxing  
28

1 authorities all outstanding and final returns for the Debtor.

2 Events subsequent to the date of this Disclosure Statement, such as the enactment of additional  
3 tax legislation, could also change the federal income tax consequences of the Plan and the transactions  
4 contemplated thereunder.

5 **iv. Information Reporting and Withholding Backup**

6 Distributions pursuant to the Plan will be subject to any applicable federal income tax  
7 reporting and withholding. The IRC imposes “backup withholding” on certain “reportable” payments  
8 to certain taxpayers, including payments of interest. Under the IRC’s backup withholding rules, a  
9 holder of a Claim may be subject to backup withholding with respect to distributions or payments  
10 made pursuant to the Plan, unless the Holder (a) comes within certain exempt categories (which  
11 generally include corporations) and, when required, demonstrates this fact or (b) provides a correct  
12 taxpayer identification number and certifies under penalty of perjury that the taxpayer identification  
13 number is correct and that the taxpayer is not subject to backup withholding because of a failure to  
14 report all dividend and interest income. Backup withholding is not an additional federal income tax,  
15 but merely an advance payment that may be refunded to the extent it results in an overpayment of  
16 income tax. A Holder of a Claim may be required to establish an exemption from backup withholding  
17 or to make arrangements with respect to the payment of backup withholding.

22 **11. Final Decree**

23 Once this Estate has been fully administered, as referred to in Bankruptcy Rule 3022, the  
24 Trustee or Liquidating Trustee will file a motion with the Bankruptcy Court to obtain a final decree  
25 to close the Bankruptcy Case.

IV.

**CONFIRMATION REQUIREMENTS**

**A. Liquidation Analysis**

With respect to each Impaired Class of Claims and Equity Interests, the Bankruptcy Code requires that each Holder of an Impaired Claim or Equity Interest either (i) accepts the Plan, or (ii) receives or retains under the Plan property of a value, as of the Effective Date of the Plan, that is not less than the value such Holder would receive or retain if the Debtor was liquidated under chapter 7 of the Bankruptcy Code. This analysis requires the Bankruptcy Court to determine what the Holders of Allowed Claims or Equity Interests in each Impaired Class would receive from the liquidation of the Debtors' Assets in the context of a chapter 7 liquidation case.

The liquidation analysis (the "Liquidation Analysis") of the Debtor, as prepared by the Plan Proponents, will be filed as a supplement to this Disclosure Statement. As reflected in the Liquidation Analysis, if the Bankruptcy Case was converted to a case under chapter 7 of the Bankruptcy Code, liquidation under chapter 7 would result in the incurrence of administrative costs in excess of those to be incurred under the Plan because a chapter 7 trustee that would be appointed in the Bankruptcy Case would likely seek to retain counsel and potentially other professionals that are completely unfamiliar with the Debtor, the significant complexities of this Bankruptcy Case and the pending litigation, and remaining assets and liabilities. The appointment of another group of professionals at this stage of the Bankruptcy Case, in addition to the Professionals in the bankruptcy Case, would increase administrative claims including additional professional fees. Also, a new time period for the filing of Claims would commence under FRBP 1019(2), possibly resulting in the filing of additional Claims against the Estate. Conversion of the Bankruptcy Case to a case under chapter 7, and the appointment of a trustee, for administration of the Estate could also delay the prosecution of Causes of Action and the distributions to creditors while the chapter 7 trustee and new professionals familiarize themselves with the Bankruptcy Case and Causes of Action.

On the other hand, under the Plan, the Debtor contemplates an orderly administration and winding down of the Estate by parties that are already familiar with the Debtor, its assets, and the

Debtor's creditors and liabilities. Such familiarity will allow the Liquidating Trust to complete liquidation of the assets and distribute the proceeds to creditors more efficiently and expeditiously than a chapter 7, while maximizing the value of the assets for the benefit of creditors. In chapter 7 liquidation, therefore, it is highly likely that there would be less money available for distribution to certain Holders of Allowed Claims than under the Plan.

**B. Feasibility**

The Plan cannot be confirmed unless the Court finds that it is "feasible." In general, there are two elements of feasibility. The first element is whether there will be sufficient funds to make distributions required to be made on the Effective Date, or as soon thereafter as is practicable, including to Holders of Allowed Secured Claims, Allowed Administrative Claims, and Allowed Priority Claims. Based upon the Estate holding over \$12.7 million in Cash (projected as of the Effective Date) and the estimated amounts of Allowed Secured Claims, Allowed Administrative Claims, and Allowed Priority Claims, which total approximately \$11.8 million, the Debtors believe that the Estate will have sufficient funds to meet this element of feasibility.

Further, the Bankruptcy Code requires that confirmation of a plan is not likely to be followed by the liquidation or the need for further financial reorganization of a debtor, unless such liquidation or reorganization is proposed in such plan. Here, the Plan contemplates that all Assets ultimately will be liquidated, sold, transferred, abandoned, or otherwise disposed of, and all proceeds of the Assets will be utilized to pay creditors. Since no further financial reorganization of the Debtor will be possible or is contemplated and the liquidation of the Debtor is provided for in the Plan, the Plan satisfies this element of feasibility as well.

Based on the foregoing, the Plan Proponents believe that the Plan is feasible.

**C. Confirmation Request**

In the event that all of the applicable requirements of § 1129(a) are met other than § 1129(a)(8), if applicable, the Plan Proponents request confirmation of the Plan notwithstanding the requirements of such paragraph under § 1129(b). If and to the extent applicable, the Plan Proponents will provide further support for Confirmation of the Plan under the "cram down" provisions of

1 § 1129(b) in their brief to be filed in support of the Plan.
